1. Welcome and introduction

The HRRP District Coordinator/ Focal Point welcomed all the participants and each person attending the meeting introduced him/herself. The Housing Recovery and Reconstruction Platform District Coordinator reviewed the work plan of HRRP and the strength of the HRRP its effectiveness and scope in the District. Partners were pleased to see the HRRP National Team at Okhaldhunga. Partners were also requested to be participated in the regular coordination meeting and share their experience during their work in this platform, District coordinator further informed partners about One day Technical Workshop and Supply Chain Assessment to POs on the 16th, 19th & 20th of the February which was being provided by HRRP in close coordination with NRA Practical Action and DUDBC and also invited all partners to participate in the Technical Workshop. Which would be very useful to partners for the inspection of the work done by them and also help the Beneficiaries to proceed for the second tranches

See Table below for the list of participants.

2. Latest Updates on the Grievances from NRA

NRA Asst.Chief Mr. Yuba raj Kharel informed about the current status of Grievances in Okhaldhunga District as per him

- The Total Grievances in the district has been categorized into 4 parts among 7810 Grievances 6775 Grievances has been Resolved by National Reconstruction Authority.

- 1581 Beneficiaries has been categorized under resurvey and 346
- Beneficiaries has been categorized as eligible Beneficiaries for the reconstruction and will be enrolled very soon for their first tranche,
- 272 are categorized for the field survey and verification whereas 4576 are categorized as not eligible.
- 346 household who has been found eligible from the resolved grievances NRA has already sent letter to DDC office and DDC has sent letters to respective VDC Secretaries and after receiving the letters the beneficiaries will be enrolled in the VDC as per before and will got money through Banks as soon as they will be enrolled.
- 273 HHs which were categorized to be field survey due to missing of some information in the form during first survey will be resurveyed soon and will be included in the list if found to eligible.
- 4576 HHS who were not found eligible after the resolving of the grievances, and still if they have grievance then their house should be checked by Engineers in the field and for this process NRA has finalized a guideline is forwarded to Cabinet to pass, and he further also informed that about 1300 grievances of the district are under the process of Resolving.

3. Presentation from Nepal Red Cross Society, SAHAS & Nepal Nepal

Nepal Red Cross society is the only one organization that is working in Okhaldhunga district in reconstruction activities.as per the NRCS Participant presentation they have taken two VDCs namely Harkapur and Prapcha of Okhaldhunga for the reconstruction where the reconstruction is ongoing till.

As Per the Shelter Engineer MR. Sajan Shrestha 35 HHs are completed and 114 houses in Harkapur VDC and 60 house in Parpcha have almost been completed under the direct supervision of their technical staffs in the field and they are waiting for the inspection from the Engineers of DLPIU for the second tranches.

Please refer PowerPoint Presentation by NRCS.

4. Endorsement of Partner Organization to NRA and updating of their ongoing Activities in the districts

NRA Asst.Chief Mr. Yuba Raj Kharel Suggested and informed all Pos that if they have already done triparty agreement at central level before the start of their project in the district now onwards every partners should inform or Indorse to NRA at the district and should work as per the agreement that POs has done with NRA in the district. He further said that during the endorsement Partners should include type of project Working Area, start time and end time of the Project/

He further reminded that if the POs are found doing the work beyond the Agreement with NRA then can take action as per the rules and regulation prepared by NRA,

He also highlighted the work done by Pos in the district Can be Monitored by CDO at any time and send feedbacks of work by Pos to NRA Office in the district.

5. Information on upcoming Technical Workshop and Supply Chain Assessment.

For the effective Coordination and Active Participation District Coordinator of HRRP informed all the partners present in the meeting about the upcoming One Day Technical workshop which was going to be held on 16th Feb and Two days Planning and Orientation for Strengthening supply Chains of Construction Materials Project.

He further informed about the importance of the upcoming workshop and Training and also discussed about the tentative events that would take place during that program and asked partners to be present in that workshop and share their findings and way forward.

Partners were pleased to know about the upcoming program of HRRP and committed for their active participation. And also suggested HRRP to organize such types of events in the coming days also.

7. AOB

As there are very few numbers of I/NGOs working in the district NRA chief has said that he has already talked with NRA CEO to push in more NGOs and INGOs to work in the district and suggested partners to focus also in mason training activities as there are very few no of trained mason in comparison to no of houses to be constructed.

All the partners were requested to work and stay in close coordination with NRA to achieve a common goal.

All The Partners were requested to join the regular HRRP coordination meeting in the district and put their valuable efforts and make them feel HRRP as their common platform for the coordination always.

Next Meeting

The next HRRP Coordination meeting will be held on TBD from 8 AM in DDC office. Led by HRRP, and for any queries you can contact Prakash Basnet HRRP Coordinator.
