| Helpdesk/ Technical Resource Center                      | ASF Nepal, ARSOW Nepal, Care Nepal, Build Change, Caritas Nepal Habitat for Humanity, ISAP, JICA , Kam for Sud, Minergy, NSET Oxfam                                                                                                                                                                                                                                                                                                                           |
| Housing Construction Supervision                         | ASB Nepal, ASF Nepal, ARSOW Nepal, Caritas Nepal, Chaudhary Group, GOAL, Good Earth Nepal, Habitat for Humanity, Helvetas SOLIDAR, Lumanti, Nepal Red Cross Society, Oxfam                                                                                                                                                                                                                                                                                    |
| Mobile Technical Support                                 | ASF Nepal, ARSOW Nepal, Build Change, Care Nepal, Caritas, Christian Aid, Concern Worldwide, CRS, Danish Church Aid, Habitat for Humanity, GOAL, Good Earth Nepal, JICA, MedAir, NRCS/ American RC, Oxfam, Plan International                                                                                                                                                                                                                                 |
| Demonstration Construction for Model Houses              | ACF, ASF Nepal, ARSOW Nepal, Build Change, CARE Nepal, Caritas, Christian Aid, Concern Worldwide, CRS, Good Earth Nepal, Habitat for Humanity, HELVETAS, ISAP, JICA, Lumanti, MedAir, Minergy, NRCS/ Belgian RC, Nepal Youth Foundation, Oxfam, Peace Wind Japan, People in Need, Rotary Intl, Save the Children, TearFUND, United Vision Nepal                                                                                                               |
| Vocational Training for Masons                           | ASF Nepal, ARSOW Nepal, Belgian RC, CRS, Concern Worldwide, Danish Church Aid, Habitat for Humanity, HELVETAS, NSET, Om Nepal, Plan International, Red Cross Swiss, Save the Children                                                                                                                                                                                                                                                                         |
| Short Training for Masons for EQ resistance Construction | ACF, ADRA Nepal, ASF Nepal, ARSOW Nepal, Build Change, CARE Nepal, Caritas Nepal, CDRA Nepal, Christian Aid, CordAID, CRS, Dan Church Aid, Habitat for Humanity, GIZ, GOAL, HELP, HELVETAS, ISAP, JICA, Kam for Sud, Lumanti, LWF, MedAir, Minergy, Namaste Nepal, NRCS/American RC, NRCS/Belgian RC, NSET, OXFAM, Peace Wind Japan, Plan International, Red Cross, Save the Children, Tearfund, United Mission Nepal, United Vision Nepal, World Vision Intl |
| ToT for Masons                                           | ACF, ASF Nepal, ARSOW Nepal, Caritas Nepal, NRCS, NRCS/ Swiss RC, NSET, Plan International                                                                                                                                                                                                                                                                                                                                                                    |

### Discussion and agreement on TOR, and outputs for both the TWGs

- How can the HRRP TWGs relate to the TWGs at NRA level? *TWG at NRA covers all the aspects related to Housing, Infrastructure etc, while the proposed TWG at HRRP focuses only on Housing Reconstruction*
- ToRs for both the TWGs to be shared again: **Partner Organizations are kindly requested to provide any comments by CoB 30 March, 2016**
- The Scope for both the TWGs seems to be ambitious, but it would be an interesting process as the POs would get to prepare the relevant documents, which would be highly beneficial for the successful implementation of Housing reconstruction activities
- With reference to the scope and output, there is no need to reinvent the wheel for activities that have already been conducted

### Suggestions:

- TWG could coordinate among Partner Organizations and advocate the recommendations to support the NRA in the Housing Reconstruction Process
  - Eg: Regarding the Type Design volume 2: New Construction Material and Innovative Technology, TWG could review the available designs and facilitate for their approval from the Government of Nepal: *The Technical Team of HRRP to present on the status of the volume in the next meeting*
  - Eg. Use of cement bricks, which may help to support reconstruction
- TWG could also support in standardizing the POs' Technical engagement in the field
- TWGs could support in developing training standards for housing reconstruction using new construction materials and innovative technology
- TWGs need to divide into smaller groups in order to ease the working process and progress
- Need to clearly set the limitations of tasks for the TWGs in order to have a clear approach to move forward during the short period of time
- Need to follow up on the impact of the 7 day short training
- Need to set the timeframe for the approval of ToR by the TWG

### Nomination from partners, who intend to be involved in any/ both of the TWGs

- Two TWGs have been formed comprising of the following Partner Organizations:

| Members of TWG for      |                         |
|-------------------------|-------------------------|
| Housing Standards       | Housing Training        |
| 1. ASF Nepal            | 1. ASF Nepal            |
| 2. Build Change         | 2. GIZ                  |
| 3. Care Nepal           | 3. HELVETAS             |
| 4. GIZ                  | 4. Habitat for Humanity |
| 5. Good Earth           | 5. Innotech             |
| 6. Habitat for Humanity | 6. Nepal Red Cross      |
| 7. HELVETAS             | 7. Lumanti              |
| 8. Innotech             | 8. Build Change         |
| 9. IOM                  | 9. Minergy              |
| 10. JICA                | 10. Good Earth          |
| 11. Lumanti             | 11. Care Nepal          |
| 12. Minergy             | 12. CARITAS/CRS         |
| 13. Nepal Red Cross     | 13. IOM                 |
| 14. TEAR FUND           |                         |

- Member organizations agreed to send the name of a focal person who would actively participate in the Technical Working Group(s) by COB 30 March 2016
- Sub-Groups formed for the collection and reviewing of relevant Nepal specific documents under both the TWGs:

| Housing Standards                                                                                                                                                         | Housing Training                                                                                                                                                 |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### Action Points

- For HRRP Technical Team:
  - Share the ToRs for both the TWGs to seek comments from Partner Organizations- to be finalized and endorsed by next week
  - Share the relevant documents by **30 March, 2016**
  - By Next Week, list out the number of Training institutions that have a license to provide Technical Training
  - Seek for information from NRA/ DUDBC on the status of the Volume 2: New Construction Material and Innovative Technology
- For the Partner Organizations:
  - To provide any comments on the ToRs of both the TWGs by CoB **30 March, 2016** to be finalized and endorsed by next week
  - Nominate respective focal persons to participate in the TWGs by CoB **30 March, 2016**
  - Provide relevant information/ Documents/ Training materials related to Housing Standards and Housing Training by CoB **30 March, 2016**
  - Participate in the sub-group and present the findings in the next weekly meeting
  - POs to complete the HRRP review
- Detailed Plan of Action to be discussed in the next meeting

### Next Meeting

- Both the TWGs to meet weekly **every Tuesday from 14.00 hrs to 16.00 hrs**
- To be held on **5 April, 2016** from **14.00 hrs to 16.00 hrs**
- Informal sub-group meetings to be decided

### Meeting Participants List/Attendance Sheet

| Org        | Name              | Designation                       | Phone      | Email                     |
