

Orientation program
On
Correction & Exception manual
and
New approved designs
Sindhupalchok District
16th June, 2017

Activity Date:	16/06/2017
Report Prepared by:	Manisha Rai / Aarju Basnet

Discussion:

Formal Session and Overview – Dr. Youb Raj Paudyal, Chief of DUDBC/DLPIU Sindhupalchok

- Dr. Youb Raj Paudyal briefed POs about the correction & exception manual. He emphasized that the document helps to increase the compliant rate and accelerate reconstruction.
- He informed POs about the ineffectiveness of 7 days' masons' training conducted till date due to carelessness in selection process just to reach target numbers. Also, he added that social mobilizers from POs should be well trained and oriented so that they could convince local people on safe construction and to start reconstruction.
- He assured that DLPIU is ready to proceed for 2nd and 3rd installment of GoN housing grant as far as possible.
- He added that some POs have been supporting DLPIU in collecting the inspected forms and he requested other POs to assist as much as possible.
- He emphasized the need to focus on releasing installments during the rainy season to those beneficiaries who have already started construction.
- Since the DLPIU engineers are insufficient in VDCs and many of them have resigned, he asked the engineers from POs to assist in inspection. He has urged the POs engineers to take a DLPIU sub-engineer or any other DLPIU staff and carry on the inspection. DLPIU engineers can sign the inspection forms afterwards.

Mr. Rudra Bahadur Malla, Chief, Secretariat of District Coordination Committee, NRA

- Mr. Rudra Bahadur Malla shared the status of mason training and appealed to POs to be more focused on the quality of training.
- He stated that full supports from POs is needed to accelerate the pace of reconstruction and accomplish the Government target.
- He requested POs to make effective awareness program on safe reconstruction.
- He also requested to POs support on inspection form collection from VDCs.

Orientation program on Correction & Exception Manual and New Approved Designs – Mr. Kuber Bogati, HRRP-Kathmandu

Click Here for presentation slides.

- 49 participants from 23 partner organizations and DLPIU participated in the program.

Correction & Exception Manual Orientation Report

HRRP – Sindhupalchok

Discussion:

- Mr. Kuber Bogati presented the need, objective of manual, scope of manual, applicability, limitation, content (Correction & Exception and, mitigation measure) of the manual.
- Some of issues and problems in fields were raised by some POs and addressed by Mr. Kuber Bogati during the presentation.
- The active discussion was mainly on;
DPC Band, Composite/mix structure, connection, room size, etc.
- He briefed the new approved housing designs and he also claimed that these new designs have added more choices to address those 90% houses to be built.
- Various communication skills and tools were introduced to all participants by Ms. Aarju Basnet.
