1. 1,555 masons has been trained in district so far to support the reconstruction process. Likewise, 30 carpenters were also trained by Nari Samaj with the support of World Renew in Mankamana VDC.

3. Approximately 5% beneficiaries have started constructing houses in Nuwakot district. Demand for trained masons is quite high in the district owing to the wide-spread infrastructural damage. Local media have reported wide-spread usage of untrained masons in the reconstruction process due to the scarcity of trained masons.
