

WEEKLY BULLETIN

10 July 2017

This Week's Highlights

- As of 10 July 2017, 57,993 houses have been approved to receive the 2nd tranche and 2,540 houses have been approved to receive the 3rd tranche. These [updates are mapped by MoFALD CL-PIU](#).
- [MoFALD CLPIU Enrolment Data, Published 09 July \(Nepali\)](#): As of 09 July 2017, 21,273 beneficiaries have received the first tranche and 32 beneficiaries have received the second tranche from the 17 less-affected districts.
- [Details of vulnerable settlements released by MoFALD CL-PIU on 5 July](#)
- New HRRP Dashboards:
 - [Housing Progress](#)
 - [HRRP Housing Typology Map](#)
- [Flooding affects over 100 families](#) in Saptari. Updates from 5 July available [here](#). For any queries regarding emergency shelter support for affected families please contact Deepika Bhardwaj, Shelter Cluster Officer, Deepika.BHARDWAJ@ifrc.org.
- [Milijuli Nepali, Episode 680](#): Milijuli Nepali is broadcast every day except Sunday at 7:30am and 9:15pm on BBC Nepali Service, as well as on over 50 local radio stations at various times each week.

Army personnel rescue flood victims at Nawalparasi, 200 km southwest of Kathmandu. (AFP)

Special flood forecast bulletin, Flood forecasting division, Department of Hydrology and Meterology (Nepali): Flood Risk in next 24 hours, where? (Unofficial translation): 1. Mid Terai's Saptari to Bara district, high risk mainly in the channels of river flowing from Chure (include rivers: Triyuga, Khando, Ratu, Gagan), medium risk in the channel of river flowing from Mahabharat (include rivers: Kamala, Bagmati) and low risk in the channel of river flowing from Himalaya region (includes: Saptakoshi) 2. From Nawalparasi to Banke, high risk mainly in the channels of river flowing from Chure (include rivers: Binaya, Arun, Tinau, Banganga, Jhinhari, Prabasotanala, Dunduwa), medium risk in the channel of river

flowing from Mahabharat (Tinau, West Rapti, Babai) and low risk in the channel of river flowing from Himalaya region (Karnali) 3. Water inundation increasing rapidly in Narayani River; 7.4meter noted in 7:00 am today. The warning level of Narayani in Devghat is 7.3 meter which doesn't seem to exceed till evening today. May cross the warning level after the mid night however will not reach the danger level. Hence, seems medium risk.4. Low risk in the flow of Koshi, Karnali and Mahakali, remains below the warning line. 5. Else, all rivers show low risk symptom.

Milijuli Nepali, Episode 680: In this episode, the presenters talk to the residents of Gorkha's Bhachek. In the conversation, the residents question the Deputy Chairperson of their Rural Municipality, Chandramaya Gurung, on what the local government's role and support will be in terms of the reconstruction scenario.

Reconstruction FAQs published in Annapurna Post on 16 June 2017: sourced from the [HRRP FAQs](#), the question included is: The government's plans and policies have not been clearly communicated to us and there is a lack of proper information flow regarding the housing reconstruction. How can we access more information?

REMINDER, NRA 5W Reporting: to date 131 of 147 (89%) POs have reported to NRA 5W. Partners are requested to share their data for inclusion in the 5W as soon as possible. Progress Tracking (columns highlighted in yellow) has been added to the NRA 5W reporting system, so POs are kindly requested to use the [updated template](#), and can contact Gaurab Pradhan (gaurab@hrrpnepal.org) and Bipin Jha (bipin@hrrpnepal.org) for further assistance. Once the NRA 5W is fully up and running the HRRP 4W will be phased out.

REMINDER, Nepal Engineering Council, Call for IEA qualified engineers to support PEng (Nepal) Launch: The Nepal Engineering Council (NEC) is preparing to launch a professional title for engineers, PEng (Nepal). NEC has requested engineers working in Nepal who hold a professional engineering title recognised by the International Engineering Alliance (IEA) to support the first round of professional reviews for Senior Experience Route applicants. Further information can be found [here](#). The deadline for submitting your interest to join the Reviewer Roster for this first round of reviews was Friday July 7th 2017, but you can contact necgov@ntc.net.np if you have any queries or wish to check the possibility to register. HRRP requests all partners to share this widely so that all relevant people are informed.

HRRP Media Digest, some interesting articles include:

Earthquake memorial park to be constructed in Barpak: A plan has been approved to construct an earthquake memorial park at Barpak, the epicenter of the April 2015 Gorkha earthquake. The Department of Urban Development and Building Construction (DUDBC) divisional office in the district has estimated the park construction will cost approximately 180 million NPRs.

Qa हामीले सरकारले पुनर्निर्माण सम्बन्धी जारी गरेको नीति, नियम तथा अन्य सूचना सही ढंगले पाइरहेका छैनौं। थप सूचनाहरू कसरी प्राप्त गर्न सक्छौं ? (नेरेसो हटलाइनमा समुदायबाट आएको जिज्ञासा)

राष्ट्रिय पुनर्निर्माण प्राधिकरणले 'सुरक्षित घर' भन्ने मोबाइल एप (मोबाइलबाट पनि सूचना प्राप्त गर्न सकिने व्यवस्था) सार्वजनिक गरेको छ जुन गुगल प्ले स्टोरबाट नि:शुल्क डाउनलोड गरी पुनर्निर्माण सम्बन्धी जानकारी लिने र केही प्रश्न भए सोध्न पनि सकिन्छ। प्राधिकरणले हालै पैसा नलामे टोल फ्री नम्बर पनि सार्वजनिक गरेको छ। जसमा एनटीसीबाट १६६००१७२००० र एनसेलबाट ९८०१५७२००० मा नि:शुल्क कल गर्न सकिन्छ। साथै, विविधी मिडिया एक्सनले मिलिजुली नेपाली नामक आवासीय पुनर्निर्माणसम्बन्धी रेडियो कार्यक्रम सञ्चालन गर्दै आएको छ र यो सुनेर पनि प्राविधिक जानकारी लिने सकिन्छ। जिल्लाका सरकारी इन्जिनियर, स्थानीय निकाय, जिल्ला समन्वय समिति वा प्राविधिक जानकारी जिल्ला सचिवालयबाट पनि प्राविधिक जानकारी लिने सकिन्छ। यसैगरी नेपाल रेडक्रस सोसाइटीको नि:शुल्क हटलाइन-११३० मा एनटीसी र एनसेलबाट फोन गरेर पनि जानकारी प्राप्त गर्न सकिन्छ। हरेक शुक्रबार अनन्तपूर्ण पोष्ट दैनिक पत्रिकामा नेपाल रेडक्रसद्वारा प्रकाशित प्रश्नोत्तर स्तम्भमा समुदायबाट आएका जिज्ञासा र प्रश्नको उत्तर दिने समेत गरिएको छ।

जिविकोपार्जन कार्यक्रम अन्तर्गत मैले पनि सोलार पाएको थिएँ। तर मेरो भागमा परेको सोलार चार्ज हुँदैन। सोलारको बटामा पनि No charge लेखेको छ। यस विषयमा यहाँ सोध्दा ११३० मा फोन गर्नु भन्नुभयो। (गोरखा, बुवाकोटका पदम बहादुर गुरुङले नेरेसो हटलाइन-११३० मा सोध्नु भएको प्रश्न)

तपाईंले पाउनु भएको सोलारको बारेमा एक वर्ष रहेको छ। नेपाल रेडक्रस सोसाइटीलाई लाभग्राही नामावली जिल्ला समन्वय समिति र वैकल्पिक उर्जा केन्द्रीय कार्यालयबाट प्राप्त भएकोले जिल्ला समन्वय समिति अन्तर्गत वैकल्पिक उर्जाका इन्जिनियरलाई सम्पर्क नम्बर ९८४९०३२६२४ मा र सोलार सप्लाय गर्ने सप्लायरलाई फोन नम्बर ९८५११९२४८८ मा सम्पर्क गरी स्पष्ट जानकारी प्राप्त गर्न सक्नुहुनेछ।

(प्रश्न-उत्तर तयार गर्न सहयोग गरेकोमा HRRP लाई धन्यवाद दिन चाहन्छौं)

रेडक्रससम्बन्धी प्रश्न जिज्ञासा, सुझाव अथवा गुनासा धन्य भन्ने कृपया ११३० मा फोन गर्नुहोस्। यो नम्बरमा नेपाल टेलिकम र एनसेलको तार फोन वा मोबाइलबाट डायल गर्दा पैसा लाग्दैन।

(नेपाल रेडक्रस सोसाइटीको साप्ताहिक प्रश्न-उत्तर स्तम्भमा तपाईंलाई स्वागत छ। मानवीय सेवा, विपद, लुकम्प, स्वास्थ्य, मानवीय कूल्य प्रवर्धन, विनोद व्यूजीकरण र रेडक्रस जातिविहिहरुजस्ता विषयमा जानकारी दिन र कुराकानी गर्न यो स्तम्भ राखिएको हो। यी विषयमा तपाईंका केही प्रश्नहरू छन् भने हामीलाई इमेलमा लेख्नुहोस् वा एस.एम.एस. गर्नुहोस् र सहभागी हुनुहोस्। तपाईंका सान्दर्भिक र सटिक जिज्ञासा मेडाउन हाजी प्रचलनशील रहनेछौं। आपिछका जिज्ञासा वा सुझाव वापत तपाईंले रु. एक सय मोबाइल रिचार्ज रकम पाउनुहुनेछ।) हाजी तपाईंको प्रश्नको प्रतिक्रिया छौं।

नोट : ३४३४३ मा एस एम एस पठाउँदा RC टाइप गरी स्पेस दिनुहोस् र तपाईंको जिज्ञासा लेखेर पठाउनुहोस्।

Page 3 of 7

[Number of missing children rises after 2015 earthquakes: Study](#): The number of missing children increased after the 2015 earthquakes compared to a year before the disaster, says a report recently published by National Human Rights Commission.

[NHRC report shows rise in human trafficking post-quake](#): a recently published report from the National Human Rights Commission (NHRC) indicates that human trafficking in Nepal has significantly increased since the 2015 earthquake. The number of reports of trafficking, or attempts to traffic is estimated to be around 23,000 Nepalis during the fiscal year 2015/16.

[Flooding affects over 100 families](#): fresh flooding has impacted villagers in Saptari on Wednesday. Bhediya and Mayanakaredi settlements have been most affected after floodwaters entered the settlements when the Mahuli river breached the embankment in five places. More than 100 families have been displaced.

[Development Committee directs Govt to give victims of natural disaster relief items immediately](#): At its 126th meeting, Development Committee(DC) under Legislature –Parliament has made a decision to direct Nepal Government, Home Ministry, Irrigation Ministry and National Planning Commission to collect relevant information regarding the damage caused by natural calamities such as landslide and flood that occurred recently in different parts of the country and the people who suffered from these natural disasters.

[Transfer of forest management rights protested](#): Foresters have protested the government's move to transfer forest management rights to the provincial level. The General Secretary of the Nepal Foresters' Association (NFA), Bishnu Prasad Acharya, said the government was attempting to dismantle forest-based organisational structures by limiting forest offices to provincial levels.

[Sand mining on the banks of Trishuli River \(in photos\)](#): People from Dhading, Banke, Bardiya, Dang, Kailali, Rolpa, Rukum, Salyan, Makwanpur, Bhojpur, Sankhuwasabha, Ramechhap, and Dolakha districts have moved to the Trishuli river bank in large numbers to take up work drawing sand from the river bed. The work is risky but the workers estimate that they can earn between 3,000 and 5,000 NPRs per day.

[Immigration app launched](#): The Department of Immigration launched a [mobile application](#) on 3 July as part of its Immigration Improvement Strategic Plan. Online applications for visas to enter Nepal can be made through the app, as well as applications for trekking permits.

Meetings and Events

[NRA Meeting with partner organisations working in housing and shelter](#): NRA hosted a meeting with the partner organisations that are involved in housing and/or shelter. Please find the summary of the meeting [here](#).

[NRA training for re-survey and re-verification of damaged buildings](#): NRA Team of instructors has completed training the district engineers to conduct re-survey and re-verification of damaged buildings.

[MoUD CLPIU training on Correction/Exception Manual](#): MoUD- CLPIU has finalised and trained the vendor/s to conduct training on correction/exception manual to train District DLPIU Engineers. The trainings have been rolled out in the districts. For more information, please refer to the training [schedule](#) and [venues](#).

[NRA Communications team to visit districts \(tentative\)](#): The NRA Communication team has been visiting earthquake affected districts. Please refer to the [schedule](#) to know when the team is visiting your district. Please note that the dates are subject to change.

Construction News, [International Project of the Year](#): a project in Nepal has been selected as one of 6 projects selected as finalists for the Construction News International Project of the Year award. The project in Nepal is being

implemented by Community Action Nepal (CAN) with support from construction firm, WYG. the project supports communities in rural Himalayan locations with their reconstruction following the 2015 Nepal earthquakes.

Habitat for Humanity Nepal, Asia Pacific Housing Forum 6: a sector platform that brings together major stakeholders engaged in seeking solutions to poverty housing issues and promoting affordable housing as a driver of sustainable social and economic growth. The event is taking place in Hong Kong from 4 - 7 September 2017. For more information, visit aphousingforum.org

ALNAP Webinar, “Up to standard: The role of evidence in the Sphere Standard revision process”: taking place on Tuesday, 11 July, from 6:45 PM - 8:15 PM Nepal time, this webinar will look at the how the standards of quality in the Sphere Standards are established, whether they are based on evidence, and why this matters.

Useful Documents

Details of vulnerable settlements, MoFALD CL-PIU (05 July): Available from these districts: [Chitwan](#), [Dhading](#), [Dolakha](#), [Gorkha](#), [Kavrepalanchok](#), [Lalitpur](#), [Lamjung](#), [Makawanpur](#), [Ramechhap](#), [Rasuwa](#), [Sindhupalchok](#) and [Tanahu](#).

Flood & Landslide Situation Monitoring Report, Nepal Red Cross Society: The flood and landslides resulting from heavy rains in some areas have affected 7 districts and killed 13 people. For more details, please find the statistical report [here](#). The statistical report contains two sheets: 1. Pre-monsoon situation and response 2. Monsoon recent situation and response.

UN Resident Coordinator's Annual Report 2016: The UN RC in Nepal released their annual report for 2016 at the end of June 2017. The report includes an overview of major developments and events that have influenced the work of the UN Country Team, and provides more detailed updates in terms of sectors or themes, such as reconstruction, gender, and progress towards the Sustainable Development Goals (SDGs).

Building back safer and greener: A guide to sound environmental practices for disaster recovery in Nepal: This guide outlines ways in which adverse environmental impacts can be avoided after disasters, and good practices can be promoted. It covers sectors including settlements and land use planning; building construction; waste management; energy; infrastructure; water, sanitation and hygiene; agriculture and livelihoods; and education.

Criteria for purchasing habitable lands for the earthquake victims, published on 23 June, MoFALD CLPIU (Nepali)

Revised Procedures for handling of grievances related to reconstruction, 2017 (2074) (Nepali): Three new sections have been added; (10) Rural Municipality/Municipality level grievances handling committee, (11) Grievances handling at the central level, and (12) Central grievances handling committee.

MoUD CLPIU has issued new inspection forms for Dry stone masonry (Nepali) 13 June: [First Inspection Form](#) and [Second Inspection Form](#).

NRA Procedures for the provision of interest-free loans to the earthquake victims based on collective guarantee, 2017 (Nepali). (unofficial English translation is available [here](#))

HRRP Briefing Pack: highlights particularly useful documents to support people and organizations new to the Nepal earthquake recovery and reconstruction understand the context, the actors involved, and the standards to be followed.

ToR for Locally Elected Bodies (Nepali): based on the new federal system, and passed by cabinet this week, the ToR includes provisions regarding disaster management.

FAQ section of HRRP website: new questions to be included can be shared to info@hrrpnepal.org or through the HRRP district coordinators at any time.

Corrections and Exceptions Manual for Masonry Structures

Surakshit Ghar App: freely available for Android users on the [Google Play Store](#).

NRA MIS Training Reporting Format: partners are requested to use the format for training records and to submit one copy to MoUD DL-PIU, and HRRP district team who will submit to NRA MIS. For already complete trainings, the HRRP district team are converting existing records to the new format.

NRA Grievance Handling Reports: for each of the fourteen districts, updated on a regular basis. An English summary table is available [here](#).

MoUD CL-PIU MIS portal: district-wise overview of inspection and reconstruction progress from DL-PIU engineers' reports. A translation of the headers is available [here](#).

Contact details for District Focal Points for DL-PIU engineers: district focal points will be able to provide contact details for DL-PIU engineers at VDC level.

Contact details for NRA 'District Support Engineers' (with working location): these structural engineers, hired by UNDP, are based in the MoUD DL-PIU offices and will provide guidance and back up for the MoUD DL-PIU engineers. One of the District Support Engineers is based in the operations room in the NRA.

Information Products

New HRRP Dashboard:

Housing Progress: This dashboard has been developed to visually display the reconstruction updates shared by MoUD CL-PIU and MoFALD CL-PIU on a regular basis. Credit: USAID.

Housing Typology: here the various housing typologies being constructed across the earthquake affected districts are presented in an interactive map format. Please share any photos for inclusion, or any questions / feedback on the map, to info@hrrpnepal.org.

Feedback 3W - Who is saying What, Where, Community Feedback Project: to aggregate feedback from partner agencies to be able to provide a comprehensive picture to all partners of feedback coming from the affected communities. POs are requested to fill in the attached spreadsheet with the feedback that their organization, or their partner organisations, have been gathering through its regular interactions with communities throughout the earthquake affected areas and send it to Smriti Pant (smriti.pant@one.un.org) or Bronwyn Russel (bronwyn.russel@one.un.org) by Friday, July 21st. The information you share will use will be treated with confidentiality and respect

HRRP Gap Matrix Tool: this tool, developed by the HRRP IM team, provides detailed information on gaps in coverage of the 6 core socio-technical assistance activities; household / community orientations, door to door technical assistance,

helpdesk / technical resource centre, demonstration construction, short training for existing masons, and vocational training for new masons. To use the gap matrix, follow these steps:

1. Download the gap matrix tool,
2. Download the HRRP 4W dataset (updated every 2 weeks),
3. Follow the instructions in the 'Read Me' sheet to input the 4W data into the tool.

[District Administrative Division Maps, prepared by MoFALD \(for all 75 districts\)](#)
