Overview of new 4W template

- Ward level segregation
- WASH activity added

Cluster Approach in reconstruction from MEDAIR

Working in Cluster Approach

Location:- HRRP Meeting Hall

Trainer

Date:- 2016/12/15

Mason experience sharing from **HRRP** Bhatauli VDC (OJT)

Issues/Challenges:

- shortage of stones, timber and water
- lack in advance tools
- lack in steel reinforcement skill

Suggestions:

- more training on carpentry, steel reinforcement skills
- training on concrete building construction

Donor visit update

- Mr. Rudolf von Planta (Humanitarian Advisor SDC) and Stefan Fuerst (Programme Manager Humanitarian Aid-SDC), had a field visit in Bhatauli (Manthali N.P.) and had a session of mason's experience sharing.

- Open discussion on issues and challenges in a meeting with the most important government officials, main POs in HRRP platform.

Alternative resource

- Soil and concrete block survey:

- Bamboo treatment video:

Update from NRA

Open discussion
