Discussion: (Items/Knowledge Shared)

- Caritas Nepal had provided the tranche support and various technical assistance in the ward. The support has helped to achieve more than 90% reconstruction progress in the ward.*
- The list of 50 beneficiaries who has received first tranche and yet to receive second tranche and 43 beneficiaries who has received second tranche and yet to receive third tranche has been prepared by the ward. The list will be published at the ward office and last follow-up with the beneficiaries will be done.*
- An integrated settlement at Teendhara is under final planning and approval process. The 29 beneficiaries have submitted a joint letter mentioning the delay to meet the deadlines. All of the beneficiaries have received the first tranche.*
- Only two houses have been listed for retrofitting. But as both the houses are severely damaged, request for beneficiary change has been made.*
- There are four cases of land issues due to road expansion and new road bylaws. These beneficiaries cannot be classified as landless. All the four beneficiaries have expressed the interest to reconstruct after they can buy new land.*
- Three settlements were identified as geo-hazard vulnerable by the ward and the list has been sent to NRA. Landslide is the major risk to all the settlements. The settlement at Dharapani are under the process to be relocated at Teendhara. 12-13 HHs at Nadimkharka too are at landslide risk due to road expansion whereas the settlement at Chinswara suffered landslide on 22nd Shrawan 2075. One house totally collapsed due to the landslide and the remaining 18 HHs are at high risk. 15 HHs had already constructed new houses at the settlement and they are now renting at different areas in the ward.*
