NEWS & UPDATES

1. Practical Action has signed MOU with DUDBC regarding the establishment of construction material testing Lab premise in DUDBC compound for testing the quality and strength of construction materials. As per the MOU, construction of the lab as well as equipment support will be finalized by mid-March.
2. Oxfam plans to conduct 7 days Mason Training in two gap VDCs (Rulukadevi and Shikharbeshi) with 60 beneficiaries in each VDC. The project is expected to finish in March.
3. HRRP Nuwakot successfully completed One Day Technical Workshop on current status on technical assistances in reconstruction and its challenges on February 7. It was highlighted a priority that more building designs and guidelines are needed to address the typologies that use local building materials with lower cost.
4. As per the decision made by the NRA Central level Grievances Handling Committee, among a total 7,533 grievances, 459 grievances will need to be resurveyed and 2,100 grievances require further field verification.
