NEWS & UPDATES

1. NRA Okhaldhunga organized the Interaction program with all the locally elected political leaders of Municipality and Rural Municipality of the district. The Interaction program was basically focused on Resurvey and reverification.

2. The resurvey and reverification training was conducted on 10 August 2017 to the engineers and social mobilizers. For the Reverification and re survey all the locally elected political leaders will be actively involved along with the Engineer and Social Mobilizers

2. United Mission to Nepal has continued its reconstruction works in Shreechaur and Patle VDCs. UMN has planned to reconstruct 30 houses for the homeless people in these two VDCs. According to Er. Roshan Dulal, 15 houses were surveyed among the 30 households and the construction will start immediately after the completion of the survey works. He also stated that the monsoon has decelerated the rate of reconstruction.

0 VDC with all 7 TA Activities

21 VDCs with no TA

8 VDCs with no TA and more than 60% damage

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 7 activities and the VDCs highlighted suggest the summation of the activities presented:

- Community/household orientation with more than 1 session
- Continuous Door to door technical assistance (Mobile Technical Support)
- Short training for Masons (Target achieved)
- Vocation/on the job training for masons (Target achieved)
- Helpdesk/Technical Support Center
- Demonstration construction
- Reconstruction Coordination Committee

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.
