Discussions:

1. Introduction

Round table introduction of partners.

2. Update-NRA Pilot Project in Singati

- Rup Kumar BK, HRRP District Coordinator, Dolakha presented the NRA's pilot project in Singati which will be commenced on 25th February 2016. The Pilot Project starts with enrollment.
- Babar Tanwir, Central HRRP Hub Coordinator, described the role of HRRP together with POs for supporting NRA's mission in Singati. In fact, HRRP is harnessing the effort of all the development partners working in the district to leverage support for Singati.
- Navaraj Pyakurel, Division Chief, DUDBC, Dolakha, requested all the POs to present their proposal for support in Singati based on the partners' capacity and expertise.
- He also requested all the partners to make a scouting visit to Singati as soon as possible to make assessment on how they can support in Singati. The date and time agreed is 24th February, 1:00 pm.
- Mr Pyakurel also requested all the POs to provide detail information on masons to be submitted to HRRP, Dolakha as soon as possible.

Meeting Minute

- Bijay Krishna Upadhaya, Director, NSET further scrutinized the support needed for Singati.
- Based on the discussion, the support needed for Singati Project is in the thematic areas: social mobilization, engineering, masonry, banking and logistics (tent, transport, access road, furniture, and electrification).
- NSET has asked NRA to standardization of Mason training because DUDBC and CTEVT has separate curricula.

3. Partner Update

- NSET has started a 7 days training for 24 masons in Singati which is being completed on this week.
- Save the Children has capacity for social mobilization
- ACTED and Save the Children have capacity in Social Mobilization and Awareness therefore they can make support in these areas in Singati.
- HURADEC, Plan, UN Habitat, LWF and WVI have assured to make support in Singati to the possible extent.
- IOM has two social mobilizers and three technical persons who can assist in the Singati Project.

4. AOB

- Gaurishankar Conservation Area Project (GCAP) need to be consulted in Singati for constructing access road and establishing tents.
- Registration can be done in the area of Temple in Singati, however, the capacity is to be assessed.
- Detail plan of the Singati project will be shared shortly.
