Agendas:

1. Introduction
2. Update on Singati Enrolment Camp
3. Partner Organizations' update on support
4. AOB

Discussions:

1. Introduction

Round table introduction of partners.

2. Update on Singati Enrolment Camp

- HRRP Dolakha Team presented National Reconstruction and Rehabilitation Policy, its unofficial translation, draft Enrolment Standard Operation Procedure (SoP), MoU with POs, and Enrolment day plan.
- The team also presented the output of previous reconnaissance visit of HRRP and POs to Singati. The visit team had surveyed the location, and made a draft field plan.
- Mr Bijay Krishna Upadhyay, Director, NSET further clarified the logistics and human resource needed at each enrolment desks.
- The participants of the meetings unanimously suggested to tale lead PO of Dolakha district.
- All the POs are requested to send the detail of trained masons to HRRP as soon as possible. In addition, any further plan of training mason in the district is also highly appreciable to share with HRRP because those masons are immediately required as soon as the beneficiaries receive grant from the government.

Meeting Minute

4. AOB

- All the detail information provided by partners on masons will be fed into HRRP database. The individual Mason is given a code number based on district, VDC and the area he/she belongs to. The same number will be used by any organizations issuing certificate for any future trainings/orientations he/she attends.
- NSET will coordinate the management of any resources—human and material—being provided by the development partners in Singati.
