

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

ACTIVITIES

The charts depict the planned and reached figures according to different thematic areas³. A proper analysis of such information allows the stakeholders to identify possible gaps, minimize cases of duplication, and serves as a vital tool for supporting decision-making processes.

(The details of the activities can be found in the 4W matrix)
