- ❖ **An interaction program** was organized at DCC meeting hall on the occasion of **22nd Earthquake safety day**. The day is being marked under the slogan '**Earthquake resilient infrastructures, basics of long-term happiness and prosperity**'. The program was chaired by Mr. Asman tamang-CDO and chief of district disaster management committee where Mr. Jagganath Khanal -chief of DCC was invited as a chief guest. Representatives of other local officials, NGO/INGO made their presence in the program. **NSET-Baliyo ghar** team presents a short video on NSET long journey in field of earthquake to minimize Earthquake risk. Also, **Transparency International** presents a short video of street drama focusing earthquake effects, measures to mitigate earthquake risk, earthquake preparedness, Do's and Don't's during earthquake and precautions measures to follow before, during and after an earthquake. Interaction program was carried out remembering past earthquakes Nepal have to face and progress of reconstruction which was satisfactory. The program was formally closed after short motivational speech from CDO and Chief of DCC.
