

Supply Chain Assessment Planning and Orientation

We would like to thank all for the completion of “Supply Chain Assessment Planning and Orientation Program” on 7th and 8th February, 2017 at Hotel Janajibika, Dhadingbesi.

Mr. Rijan Mulmi was the resource person for two days planning and orientation program. He represented from Practical Action and supported the supply chain assessment of Dhading. HRRP playing the key role in coordination among different partner organizations within Dhading, organized the event in close collaboration and greater participation of organizations from government authorities, local NOGs to INGOs of the district. The event started as scheduled. There were 30 participants in the workshop and the list of all contributors is registered below:
