3. Action Points
4. Next meeting and agenda

1. Discussion and decision

- A. Identification of areas for Sub-groups and nomination of members/focal persons
Based on the scope and outputs the Sub-groups were proposed to work in more details. Since there's been less participation and progress on tasks were rather slow, it was decided to appoint two members on each subgroup to take lead of the tasks.

Sub-group A: Design / Construction Guidelines/Materials:

will be led by Liva Shrestha - Build Change and Ana Gatoo - Habitat for Humanity

Sub-group B: Retrofit / Maintenance Guideline

will be led by Mark Sinclair - Build Change and Dipak Giri - NRCS

Sub-group C: Settlement

will be led by Yatra Sharma - Lumanti and Pawan Shrestha - ASF Nepal

- B. Since the documents that needs to be reviewed for Design and Construction Guidelines/Materials, it was decided that these two sub groups will be merged while keeping the outputs as decided in previous TWG meetings.
- C. Regarding the endorsement of the outputs. It was discussed that the outputs of the TWG Housing standards will be presented among the POs during finalization process.
- D. HRRP team will request for POs to submit their type designs including new/innovative materials, technologies etc.

2. Relevant Documents- Collection and Sharing

- Various relevant documents shared in google drive for information and review.
- POs can add relevant documents on the google drive.

3. Action Points

1. For the Partner Organizations:
 - a. Share type designs including new/innovative materials, technologies etc. by CoB Monday, 2nd May, 2016
