

Housing Recovery and Reconstruction Platform (HRRP)

Meeting with Partner Organizations and Gov.- Makwanpur District

HRRP Coordination meeting- Makwanpur

Date: 160803

Time: 02:30-04:30

Location: Plan International Nepal, Makwanpur office meeting hall

Lead/Chairperson/Focal Point: Krishna Ghimire- DC; Santosh Upadhyay (IM)

1. Update of DRR and EQ Response

- Review of overall EQ response and ongoing enrollment process was presented by Mr. Santosh Upadhyay. The meeting also discussed on the pace of enrollment process being significantly slower as compared to other district.
- 2,408 out of 30,238 total eligible have been enrolled till date. In total 10,300 grievances have been registered.
- The working progress of DLPIU was shared.
- The meeting focused on regular coordination and a common platform for sharing the activities regarding DRR and emergency response.

Action

- The meeting focused towards creating a common platform for sharing information on DRR and Emergency response. The meeting decided to share sector wise information to DLSA in a standard template.
- The information compiled will be presented in DDRC meeting by DLSA.

2. Update on recent landslide and flood

- Three Person were buried to death in a landslide at Bhimphedi-5 triggered by incessant rainfall. The affected people were living in a quake damaged house after repair. 3 members of family, Tek Bahadur Rumba (age 26), Parbati Rumba (age 23), and Bikash Rumba (age 5) were found death under the debris as reported by the police.
- Alongside 8 HH in Bhimfedi, Makwanpur have been reported to be displaced due to landslide. The displaced 39 people are sheltered in community shelter constructed by government.
- Plan international Nepal, Makwanpur have decided to provide NFI kits to the families currently sheltered at Community house. Accordingly the decision have also been made to provide food items to the affected family in Bhimfedi losing their family members due to recent landslide.
- NRCs have provided food support and child Welfare Society (CWS) to the family losing their 3 members due to landslide.
- Government will provide 40,000 each to the people buried to death due to landslide in Bhimfedi.

3. Support to DDRC

As per the suggestion from Dr. Man Bdr. BK (CDO, Makwanpur) following points were discussed on the meeting.

- Plan international have supported DDRC for establishment of Disaster information center on the premises of DAO Makwanpur.
- The information center requires more support for efficient flow of information. The meeting discussed regarding necessary support in the form of IEC materials, SOP for Information center, telephone directory of cluster heads, web design. The agencies agreed for developing disaster resource information center to be more equipped. After internal discussion the agencies will declare the nature and magnitude of support they can provide.
- The meeting decided to request DDRC for monthly/quarterly meeting s of all clusters in regular basis. DLSA will coordinate on the matter with concerned stakeholders.

- The meeting discussed on the possible and necessary training regarding emergency response and DRR in district. The meeting identified the key training needs as follows:
 - Search and Rescue (SAR)/First Aid with equipment.
 - Basic DRR/ERM
 - Data collection/assessment (IRA/MIRA)
 - Sendai Framework for Action (SFA) align with National Policy
 - SPHERE/ Core Humanitarian Standards
 - NRA policies, guidelines and working procedures
- The agencies agreed to synergistically organize and celebrate the special days linked with DRR. The major days for celebration are: NESD (National EQ Safety Day, Magh 2nd), International day for Disaster Reduction (IDDR Day) celebration (October 13).
- The meeting discussed on the subject of preparing need assessment for recovery plan in the district. The agencies agreed for synergism during the preparation of district recovery plan.
 - USAid/SABAL, Plan, and USAid/PACT have agreed to support or need assessment for recovery plan preparation.
 - The meeting decided to communicate with other agencies to include on the process of need assessment for recovery plan preparation.

Action Points

- Sharing information on DRR and Emergency response projects by all POs forming common platform to share sector wise information to DDDRC, DLPIUs and wider sharing in a standard template. For this, Plan will coordinate.
- Plan international Nepal, Makwanpur have decided to provide NFI kits to the families currently sheltered at Community house. Accordingly the decision have also been made to provide food items to the l affected family in Bhimfedi losing their family members due to recent landslide.
- Strengthen and capacitate the DDRC, emergency response team of the district though capacity development, materials and equipment, BCC/IEC materials and disaster information center support through synergism.
- Synergism for need assessment and preparation of district recovery plan.
