Note:

The highlighted areas represent the VDCs which have not received any form of technical assistance as per HRRP 4W - R29 and NRA 5W with an overlay of the per cent of damaged (Grade III - V) structures per VDC across 31 earthquake affected districts. VDCs without highlights in 17 districts (31 minus 14 highly affected districts) means that the VDC either have TA activities present or no damage survey has been conducted.
