

District Profile - Rasuwa (as of 10 Jul 2017)

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

NEWS & UPDATES

1. Reconstruction Update: As of 20 July 2017, 11,579 houses have been identified as beneficiaries. 1,269 beneficiaries were added after grievances redressal. 9,781 households have received the first tranche, 1,422 households have received the second tranche and 362 household have received the third tranche.

2. The district support engineer team has solved 45 non-compliance cases from VDCs out of which 22 households have been approved for the second tranche. 23 critical non-compliance cases have been send to the central level for solution.

3. Heavy rain triggered landslides in different VDCs of the district. Reconstruction and other development activates were affected by the monsoon. No households were affected by landslide and there weren't any human casualties reported.

4. DLPIU Rasuwa organized three short mason training (7-days training) in Bhorle, Goljung and Haku VDCs. 104 individual participants were trained.

0 VDC with all 6 TA Activities

1 VDCs with no TA

1 VDCs with no TA and more than 60% damage

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 6 activities and the VDCs highlighted suggest the summation of the activities presented:

- Community/household orientation with more than 1 session
- Continuous Door to door technical assistance (Mobile Technical Support)
- Short training for Masons (Target achieved)
- Vocation/on the job training for masons (Target achieved)
- Helpdesk/Technical Support Center
- Demonstration construction

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.
