LWF/SJASK and 165 of Samaritans Purse need to be verified. There also seem a slight difference in POs tranche update at district and national level and there is further more variance with POs and their banks update. So, POs need to ensure data updates at district, national and bank level.

- *Data variance at GMALI and DUDBC DLPIUs: The data variance is also because of varied records of POs support. The inspection data of POs supporting house construction (LWF, Samaritans) have not been received at DUDBC/DLPIU but have been updated at GMALI. So, strong coordination is required to ensure the inspection of those houses.*
- *Vulnerable support: There are cases where the vulnerable beneficiaries are dead and their family members too are vulnerable as per NRA guideline. In such cases, GMALI, municipality and ward officials will recommend to enlist those beneficiaries as vulnerable. A notice has been resent to all municipalities to verify the vulnerable list as well.*
- *Third Inspection and Completion Certificate Distribution: Though this issue has been raised multiple times, no progress has been seen. DUDBC/DLPIU and Caritas Nepal will coordinate with their respective staffs and get some progress at Balthali and ChandeniMandan.*
- *Orientation/Meetings with Municipal Focal Persons: Owing to the multiple notices sent to the municipalities seeking various updates, there is a need to schedule an orientation/meeting to all the municipal focal persons of the district and also to skill them in various reconstruction topics.*

Action Points

- *HRRP to coordinate with LWF/SJASK and Samaritans Purse both at district and national level for the duplication verification.*
- *POs to verify double tranche and ask the beneficiaries to return the tranche.*
- *DUDBC/DLPIU, GMALI/DLPIU and HRRP to coordinate for inspection of houses constructed by LWF/SJASK.*
- *DUDBC/DLPIU and Caritas Nepal to coordinate for third inspection and distribution of completion certificate.*
- *GMALI and HRRP to coordinate to seek possibilities to conduct orientation/meeting to municipal focal persons.*
