Presentation on REACH Assessment

by Shelter Cluster

HRRP Additional Activities

Upcoming Activities

Understanding vulnerability to define 'top-up' policy

- Compile existing data, assessments, research, etc. on vulnerability
- Mapping vulnerable groups, vulnerable areas
- Mapping of resources and vulnerability, determine level of support possible from partners
- Recommend range of support for vulnerable households under different categories

Upcoming Activities, Contd.

Consolidation of Knowledge on POs Technical Assistance

- Updated cost information for technical assistance activities
- Estimate of resources required for blanket coverage of technical assistance
- Documentation of experience to date on TA (demo construction report, training report, mobile technical assistance report, etc.)

Upcoming Activities, Contd.

Guidelines for Community Participation in Urban Recovery and Reconstruction

- Lumanti leading process based on NRA's request following successful 'Rebuilding Settlements with Communities' workshop
- Meeting with key POs held on 11 May 2016 to discuss issues, approach, and ways to move forward
- Workshop with NRA, CBOs, Municipal Authorities and POs tentatively planned for 25 May 2016

Upcoming Activities, Contd.

Meeting on “Supporting vulnerable communities to access and manage financial services for housing reconstruction”, We 18.05.2016, HRRP 3-5 pm

Issue

- People are often facing serious challenges to access the first installment of their housing grant due to lack of experience with the banking system → **support of POs may be required.**

Purpose of the meeting

- Discuss key issues and challenges related to grant delivery
- Ascertain support needed from POs to smoothen access the banks for the most vulnerable
- Explore possibilities for effective communication to make best use of grant support
- Identify interested POs to contribute in areas related to banking services

Focal Point: Ramesh Gautam, ramesh.gautam@unhabitat.org.np
