News & Updates

“Women’s day” organized by Sahayatri Samaj Nepal (SSN) in support of Care Nepal, 8th March 2018 Dhading.

Figure: Women’s Day program at Gajuri RM

On 6th March, Women’s Day was organized at Gajuri Rural Municipality in support of Care Nepal, Sahayatri Samaj Nepal (SSN); SAFE justice project and Alliance of Women Human Right Defenders (AWHRD).

The mass program was to demonstrate against GBV, raising the voice to break the silence and public hearing relating the issues of women, justice system and the condition of service delivery. Vice chairperson of Gajuri and Benighat Rorang RMP, Assistant CDO, DSP addressed the questions raised from the floor.

Figure: Community Justice Resource Persons(CJRP) demonstrated against GBV

Likewise, Community Justice Resource Persons (CJRP) formed by SAFE Justice project of SSN were felicitated for raising the issues of women and supporting them for accessing justice voluntarily in the community. CJRP were mobilized to demonstrate different nature of violent against women; witchcraft, women with no right to expression, freedom etc.

Likewise, on 8th march poem recitation program was conducted by Nilkantha Municipality with support of different NGOs and INGOs in Dhadingbesi. authors recited the poems against GBV and raised voice for women right. Head of municipality Mr. Bhim Prasad Dhungana inaugurated the event.

At the end of the event, Sahayatri Samaj Nepal with the support of Care Nepal showed Puppet drama in the theme of child marriage and its consequences; child marriage is the cause of polygamy, domestic violence, trafficking and more.

Candle light event was conducted in Puchharbazar which was inaugurated by Municipal head, DSP and ED of SSN jointly.

CSEB orientation program for NRA-Engineers on 12th March 2018, Dhading.

Build Up Nepal organized Compressed Stabilized Earth Blocks (CSEB) orientation program on 12th March 2018 for NRA engineers at Galchi MR, Ward:1 Fusretaar. There were 45 participants at the program where most of them were DLPIU engineers along with MOUD-CLPIU M&E and HRRP. The program successfully orientated engineers about CSEB earth bricks which is environment friendly and cost effective. This technology is more focused at rural areas of the district where beneficiaries can produce earth brick using local soil, sand and cement.

Field Visit Reports

Date:	Location	Participants
March (12 th – 16 th) 2018	Siddhalekh RM, Benighat-Rorang RM and Galchi Ward: 1	• Khagendra Awasthi • Prabin Gautam (HRRP) - DC • Sachin Sapkota (HRRP) - DTC
Objective(s)	• Joint monitoring visit with MOUD-CLPIU • To know the current progress status of reconstruction • Community involvement in reconstruction and their common challenges • What are the factors that are leading to low compliance rate, what extra support is required to get the compliance rate up? • Due to Low Complaints Rate and what has been the issue?	

	• Conduct Palika level meeting.
Summary	1) HRRP team members, MOUD CLPIU M&E Khagendra Awasthi along with Siddhalekh Rural Municipality Chief, Ward Chief & DLPIU Engineers organized palika level meeting on 14th March, 2018.  The meeting was focused on the reconstruction challenges and common issues of the rural municipality. Some of the main concerns were: - Many of the houses constructed just after earthquake have not yet received 2nd and 3rd tranches. - How can a non-compliance house receive further tranches? What are the procedures for receiving them by beneficiaries? - Formation of Community Reconstruction Committee (CRC) at ward level but inactive in functioning. - Substantial number of grievances reported at ward offices within the rural municipality who claims to be left over for enrollment as beneficiary.
