

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 7 activities and the VDCs highlighted suggest the summation of the activities presented:

- Community/household orientation with more than 1 session
- Continuous Door to door technical assistance (Mobile Technical Support)
- Short training for Masons (Target achieved)
- Vocation/on the job training for masons (Target achieved)
- Helpdesk/Technical Support Center
- Demonstration construction
- Reconstruction Coordination Committee

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.

Note:

This map highlights the coverage of Technical Assistance (TA) in the Housing Sector that have been planned, ongoing and completed by partner organizations in the eastern cluster EQ affected 5 districts.
