Probable Beneficiary*: Deemed eligible post verification

Potential Beneficiary**: Cases of Multiple-ownership

- The **MoUD-CLPIU MIS portal** [here](#) provides a district overview of **inspection and reconstruction progress** based on DLPIU engineers reports. It shows that across 14 districts, 31,350 houses have started reconstruction, 626 houses weren't reconstructed as per the Building Code and were not certified for the 2nd tranche and 88 houses were approved for the 2nd tranche. A translation of the headers please see [here](#).

- The HRRP had a **stall at the 8th National Civil Engineering Exhibition** which took place from the 9 to 11 February at the Institute of Engineering (IoE), Pulchowk Campus. The stall represented POs technical research and work in the engineering sector. Many thanks to everyone who supported the stall.

- A report on liquefaction research in the Kathmandu valley, conducted with the financial support from Japanese Science and Technology (JST), is now available [here](#).
- The latest report from the Common Feedback Project on **Reconstruction**, based on the perceptions of earthquake affected communities, is available [here](#). HRRP and CFP will be organizing a joint meeting to further discuss the findings, keep an eye out for the invitation.
- The latest Nepal Food Security Bulletin from Ministry of Agricultural Development and WFP can be found [here](#) in both English and Nepali.
- Please follow us on Flickr and enjoy the photos through [here](#). To search for any content, please use the tag "HRRP_KEYWORD" in the search bar (e.g. HRRP_mason, HRRP_CSEB, HRRP_Gorkha etc.) **Huge thanks to the partners who have shared photos with us. Photos are an incredibly useful resource and we would really appreciate it if you could continue to share with us!** Photos can be sent to Kuber (techofficer1.national@hrrpnepal.org) and Laxmi (techofficer2.national@hrrpnepal.org) and include details of where the photo was taken and what it shows.

Meetings and Events

- **Introductory meetings between Partner Organisations (POs) and the NRA district offices in the Kathmandu Valley** took place in Kathmandu on the 7 February, Bhaktapur on the 8 February, and Lalitpur on the 9 February. Many thanks to all the POs who took part in these meetings. The meeting

minutes will be circulated very soon. Please contact the Kathmandu Valley District Coordinator Rupak, dc.ktm@hrrpnepal.org, for more information.

- Transparency International Nepal (TI Nepal) have organised a **civil grievance hearing in Bhaktapur Municipality on Monday 13 February from 10am-1pm**, and a **public hearing at Araniko School, Bhaktapur on Monday 13th February from 1pm-3pm**. Please feel free to contact the Kathmandu Valley District Coordinator Rupak, dc.ktm@hrrpnepal.org, for more information.
- **District technical workshops** have now been completed in Dhading, Kavrepalanchowk, Ramechhap, Sindhupalchowk, Dolakha, Nuwakot, Gorkha, and Sindhuli. Many thanks to everyone who participated. The remaining workshops are scheduled as follows:
 - **Makwanpur, 13 February**
 - **Rasuwa, 14 February**
 - **Okhaldhunga, 16 February**
 - **Kathmandu Valley, TBD**

Please get in touch with the district coordinators directly if you have any questions. You may also feel free to contact the National Technical Coordinator, Narayan (techcord.national@hrrpnepal.org).

- The national level session on the inspection SOP has been postponed as MoUD CL-PIU are currently very busy with the training for DL-PIU engineers on the inspection SOP. We will send out an invitation as soon as the date is fixed. We are also planning a technical session focused on 'Northern Areas' and the particular challenges for reconstruction in these remote areas. Please feel free to contact Narayan (techcord.national@hrrpnepal.org) if you have any questions on this or would like to propose topics for technical sessions.

Useful Documents

- A [Briefing Pack](#) has been prepared to support staff or organisations new to the Nepal housing recovery and reconstruction programme. The pack highlights some particularly useful documents for anyone trying to understand the context, the actors involved, and the standards to be followed.
- The draft 'Q&A' document has been updated and the revised version is available [here](#). This is a living document and questions to be included can be shared to info@hrrpnepal.org or through the HRRP district coordinators at any time.

Information Products

- The maps based on latest round of data collection (25 Jan) are available here:
 - [Coverage of 6 Technical Assistance Activities](#)
 - [Areas with no Technical Assistance with Damage Overlay](#)
