Agendas

1. Welcome and introduction
2. Agency Updates
3. Open discussion
4. Enrollment Support to NRA (Updates from District)
5. AOB
6. Tentative date for next meeting

1. Welcome and Introduction

1.1 Welcome

The HRRP Coordination Meeting took place at the Conference Hall, IOM Sub-Office Chautara on 10th March 2016. The formal Meeting started after welcome to all the Participants' of different organizations by chairperson Mr. Tank Prasad Gautam from DUDBC. After this introduction session was conducted followed by briefing about national level HRRP activities and communications updates by Ms. Pabitra Basnet, HRRP District coordinator. There are 22 participants representing from 18 different organizations including government and I/NGOs.

1.2 Introduction

This was the Third HRRP meeting conducted in Sindhupalchok district. Its main objective was to update from the national Housing Reconstruction and Recovery Platform team and updates from NRA and discuss on the issues faced by the key stake holders in Recovery and Reconstruction planning and implementation.

HRRP Meeting

10th March 2016, Sindhupalchok

Contact HRRP DC: 9801133607

2. Agency Updates

This was the third meeting of the HRRP in district level at Sindhupalchok, the agencies were more concerned on NRA and its strict directions causing complications on their regular and planned activities on Recovery and Reconstruction. Till 10th March 2016, 25 Partner Organizations had sent the 4W of HRRP. The key agency updates on the meeting were:

DUDBC Sindhupalchok: All the agencies need to follow the instructions by NRA. Those agencies which have already got permit to work and started their work may continue but all other agencies which have asked for the permit is kept in hold until a clear message from the NRA is obtained addressing DUDBC. DUDBC has asked for re approval from NRA to those POs who had received the approval before from DDRC or DUDBC. DUDBC is conscious that POs are suffering because of the slow response from NRA.

Many POs are going through amendment who have got agreement with DUDBC like RnPvt, NRN Nepal.

UNDP: UNDP has provided the database report that they have already completed mason training for 620 people. (As Per DUDBC 120 people mason database has been provided to DUDBC Sindhupalchok so the database needs to be verified by DUDBC). Some of the HHs have started construction. Many have waited for government policy.

Plan International: No special updates after NRA notice. They visited NRA at Kathmandu to submit the application letter along with related document for approval of mason training for rest of 4 VDCs. Among the 8 VDCs they are working since past, mason training on 4 VDCs training remaining and 8 model houses construction was planned in 8 VDC each is not started because of the notice by NRA. They received the information through oral communication that training guideline to be completed by NRA within a week. Then after all the agencies can work by following the guideline/ manual that they are working out on the own training manual of NRA. Regarding DUDBC training, NRA personnel communicated to them that they are working out on the own training manual of NRA.

Community training completed in October in Shikharpur VDC, CGI distributed, with the objective of new house construction but till the date most of the CGI are unused and piled up.

Through verbal communication, NRA have told the POs to continue their program it is on pipeline but POs are seeking the written communication before starting the work.

Monsoon will be massive as per release by NASA.

ARSOW, ASF and their local Partner:

Contact HRRP DC: 9801133607

Planning has been changing in Thanpalthap Thanpalkot Gumsa VDCs. The initial planning was to cover the VDCs to retrofit and the damage assessment has been done by the engineering team.

Local social mobilizers to be mobilized and ToT for basic BBSS about to start in schools.

Problem is that there is no clear policy retrofit in R & R policy issued by NRA.

Grading dependent grant and no clear statement on the provision of grant to partially damaged HHs. No guideline for partial damage.

Supporting other I/NGOs like Tsunami Andid, Childreach in technical support to school designs. 2 months Helambu kiul Community centre 100 capacity under construction, semi-permanent. Dhap Resource centre planned to be constructed.

WFP: Planning for reconstruction support.

UNWOMEN: Gender issues they can co-ordinate

Build Change: - Process Sangachok support of WVI and Arsow Nepal. They are willing to know about the procedures to run an enrollment centre so that they can clearly commit on the possible support. They repeat they have intension to run Resource Centre in sangachok VDC. They want to understand the steps to do it.

Want to know about retrofit by POs so that they can provide possible support.

Every VDC should get basic number of Masons.

Level of skills of masons trained should be analysed.

Those who have been working as masons before 5 days, 40 for those who need for the beginning.

CARE Nepal: Still under planning. DDC and DDRC approved work for mason training, community building Resource centre, 6 VDC 3 RC and 3 Community building planned in Baruwa Bhotang Dubachaur Laragche Thakani VDCs. 6 VDC 5 RC 1 engineer 1 SM 1 technical Mason revised but no response from donor. 510 short trainings planned. Training and other activities will be conducted only after approval from NRA. Reported by NRA.

Helvetas: 8 VDCs training 40 days format. CTEVT curriculum followed. Model HHS 2 constructed during training. Level 1 completed

If som1 want to sit in level 2 they are provided opportunity (only few) linked to CTEVT.

DLSA Sindupalchok: NSET DUDBC CTEVT curriculum- different. DUDBC and NSET same, retrofitting more in NSET. CTEVT was for 90 days but is now compressed in lesser days.

Further planning for training to get approval from NRA.

NRA Training Guidelines. Endorse to NRA.

Checklist will be prepared and HHs can be constructed as per the checklist.

Policy should be followed.

In some cases the designs may not be appropriate like in Dolkha the model doesn't fit like veranda was not suitable in the area. So technology should be more concerned than design while constructing the structure.

Save the Children: Short training HH construction and PASSA. 15 PASSA group trained, New Masons, Existing upgrading for 5 days. 20 new masons, rest 5 days training 555 masons. 6 VDCs

HRRP Meeting

10th March 2016, Sindhupalchok

Contact HRRP DC: 9801133607

Golche, Gumba, Fulpingdada, Manka Bansbari, Fataksila Muni. 313 HHs construction under planning in 3 VDCs planned as per the agreement from DUDBC (Tripad agreement needed as per NRA latest)

3. Open Discussion

- ToR for Resource Centre is under the process of finalization by NRA so POs will have to wait for some more time to get the details on it.
- Training related press release by NRA creating confusion. DUDBC head, Tanka sir directed that those who have already started their work can continue but other POs looking for approval must consult NRA.
- The mason/carpenter trainee database should be managed so that there would be no more cases of the repeated training to the same person. POs requested the HRRP team to prepare a format to keep the database and avoid the duplication.
- There are different issue of duplication in mason training as well as other training so POs were requested to provide the detailed information with name list of the trainees to HRRP team and DUDBC Sindupalchok. Those POs who have already provided the list will be verified by the HRRP through DUDBC and provided to national HRRP for information sharing.
- Can POs define their own model?
 - (NRA has stopped HHs construction so it may not be possible)
- When will NRA come to district level?
- POs already have approval but they are not allowed to construct. When will they get approval from NRA?
- There should be a question answer session in HRRP website which can directly reach to NRA.
- Some POs like Help ev has completed all the procedures and even collected the name list of the masons to be trained but they could not conduct and they are not able to face the community and answer their question regarding the training date and time. They have lost the trust of community to some extent.
- POs are requested to contact Mr. Chandra Shrestha (Executive Member of NRA) directly to consult on issues related to NRA on his number 9841298970. POs requested HRRP team to take the message directly to NRA.
- In extreme vulnerable cases, for the reconstruction, NRA should be approached to bring up some plans so that POs can support the very poor and marginalised in direct construction.
 - Help ev asked for the name list of the participants of mason training from JICA in the Thulosirubari VDC so that they can cross check and avoid duplication.

Contact HRRP DC: 9801133607

4. Enrollment Support to NRA (Updates from District)

- Enrollment support to NRA: SOP for Enrollment process released by NRA
- Draft of SOP for Enrollment Support for POs
- NRA Key messages
- NRA Anudan Karyabidi (Draft)
- All documents will be shared by HRRP District Coordinator

5. AOB

Community Feedback Project: Looks after Community perception. Construction livelihood support query and concern. Reconstruction survey focused. Core Humanitarian standard based. Kathmandu team has prepared 1 level schedule with 7 questionnaire will be shared to all POs.

POs are invited to make the presentation on their activities related to Housing Recovery and Reconstruction in coming HRRP meetings.

Action Points

1. All the organization should first consult NRA and should follow its guidelines to provide training. (e.g. Training, social mobilization etc)
2. All the organization should report their update to HRRP team and government on regular basis. While reporting give detailed information like wards instead of VDCs only
3. Mason training roster created by HRRP DC should be verified through DUDBC and shared with POs at district level and then only shared to national level.
4. Tripod agreement line ministry, NRA and POs should be done before conducting any activity related to recovery and reconstruction
5. All POs are requested to share the documents, photographs and materials related to their activities relevant to HRRP
6. Drafts and materials released by NRA will be forwarded to all the POs by HRRP DC.
7. HRRP DC will directly communicate with the NRA regarding the district level issues faced by government bodies, POs and communities.
