पुनः निर्माण प्राधिकरणका कर्मचारी स्थानीय तह मातहत

नरेन्द्र ढुङ्गेल

गोरखा, पुस १२ गते। राष्ट्रिय पुनर्निर्माण प्राधिकरणले स्थानीय तहहरूसँग सम्पदारी गरेको छ। पुनर्निर्माणको कामलाई प्रभावकारी बनाउन भन्दै १४ बुँदे सम्पदारी गरिएको हो।

सम्पदारी पत्रको पहिलो बुँदमा प्राधिकरणले स्टाफका इन्जिनियर एवं प्राविधिकहरूको व्यवस्थापन स्थानीय तहले गर्ने उल्लेख गरिएको छ। उनीहरूको हाजिरी रानुनेदेनसँग पालिकाभित्रको पुनर्निर्माणको काममा स्टाफले जिम्मेवारी सम्प्रेषण गरेको छ।

सम्बन्धित पालिकाको प्रमुख एवं प्रमुख प्रशासकीय अधिकृतले गाउँपालिकाका अध्यक्ष राजु गुरुङले भन्नुभयो, अन्यथा सम्पदारीको अर्थ रहँदैन। १४ बुँदे सम्पदारीले गुनासो व्यवस्थापनको काफलाई प्रभावकारी रूपमा सम्बोधन गर्न नसकेको भन्दै त्यसलाई पनि धन्य पार्नेमा उहाँले जोड दिनुभएको छ।

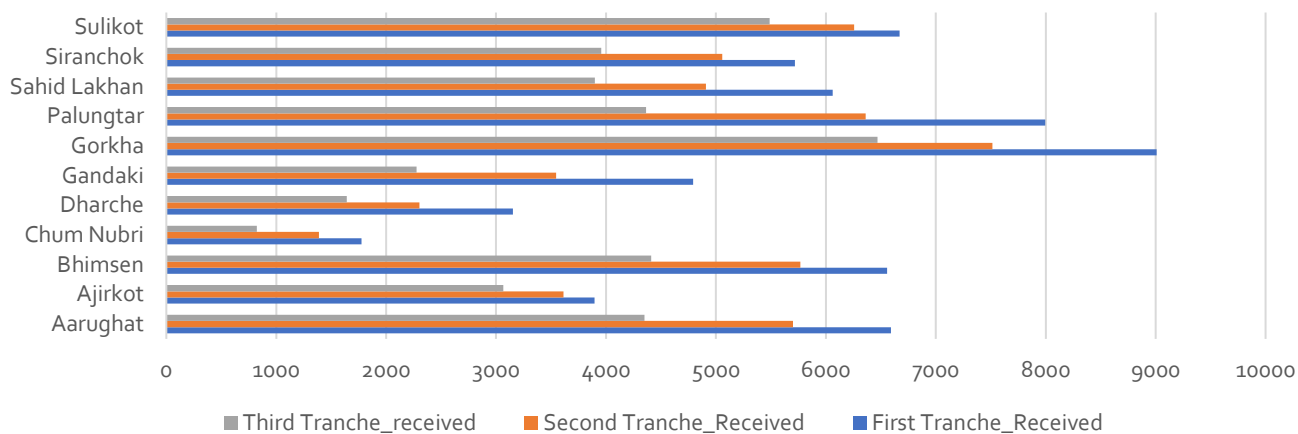

नयाँ सम्पदारी अनुसार अब लाभग्राहीले किस्ता रकम पाउन लाप्पो समय कुनै नपर्ने भएको छ। यसअघि किस्ता सिफारिस भएको लाप्पो समयसम्म सहरी आवास तथा भवन डिभिजन कार्यालयमा रुजुका लागि फाइल अड्किने गरेको थियो। अब भने स्थानीय तहमा स्टाफका सिनियर इन्जिनियरहरूको सिफारिसमा

Field Visit /Joint Field Monitoring Visit Reports

Visit 1

Date	Location	Participants from HRRP and stakeholders	
28/12/2018	Gorkha Municipality, Ward No. 9 & 10	- Mr. Chandra Gurung (DC) - Mr. Birodh Kattel (IMO)	
Objective(s)		Monitoring visit of single room houses, interaction meeting with ward representatives, and vulnerable houses inspection	
Summary		HRRP district team conducted monitoring visit to Gorkha Municipality, ward no. 9 & 10 on 28 December 2018. The primary objective of the monitoring visit is to have meeting with ward level representatives and engineers regarding private housing reconstruction status, single room houses, non-compliance issues and grievance handling mechanisms. HRRP team had a brief interaction with ward secretary regarding overall progress of reconstruction in the respective wards. HRRP team also observed a house constructed by single woman at ward no. 10. Also observed a house constructed by person with disability. He was additionally supported by Asal Chimeki Nepal with the lead initiation of HRRP and GMALI, Gorkha.	
Challenges / Issues Identified	Action Required	Responsible	Time Frame
10 HHs have been settled in public land	Need to process immediate process to access the grant provided by government to buy land for the reconstruction of their house3s	Ward, Municipality, GMALI, NRA	As soon as possible

Caption: HRRP team had a short briefing meeting with ward secretary of Gorkha Municipality, ward no. 10 on the issues and progress update of reconstruction in the respective ward.

Visit 2

Date	Location	Participants from HRRP and stakeholders	
2019/01/02	Sahid Lakhan rural municipality, ward no 8, Bungkot	- Er Atit Shrestha, HRRP - Er Adityaraj Timilsina, CRS	
Objective(s)		For observing the construction of RCC Demo house and toilet constructed using plastic bottles	
Summary		CRS is constructing demo houses in its working areas as part of their GRRP project. As a new concept, CRS is using plastic bottles for construction of toilet in one of their demo house, in Sahid Lakhan rural municipality, ward no 8, Bungkot. CRS coordinated with HRRP for joint monitoring of construction of demo house and plastic bottle toilet construction. So, HRRP district technical coordinator visit the site with Er. Adityaraj Timilsina, CRS.	

It is good ecofriendly concept for using pet bottles as construction materials. Firstly, the plastic bottles are filled with earth and closed and used for putting up walls. Mud is used as mortar and RCC bands are placed in between. The inner dimension of toilet is 4ft by 4ft and wall thickness is 9 inches. The front face height is 6 ft and back face height is 5.5 ft.

Photos

Questions Collected

Question	Who Asked the Question?	Response Provided (By Whom)
Where can beneficiaries get the information regarding returning the first tranche money?	Beneficiaries	Beneficiaries can get the information from the GMALI office in the district or contact the NRA hotline number for the information regarding how to return the tranche money. (GMALI)
How can beneficiaries receive information regarding retrofitting? How can beneficiaries receive technical support regarding retrofitting?	Beneficiaries	For the retrofitting beneficiaries, they will have to first sign an agreement with the ward. Then they will receive first installment to start their repair and retrofitting work. They can do that by consulting with engineers present in the wards. (GMALI)

Challenges and Way Forward

Challenge	Way Forward
How can beneficiaries register dissatisfaction regarding grievances result?	They can submit their dissatisfaction in a written form to district GMALI/NRA. NRA/GMALI will give answer to them.
What are the process to be followed by beneficiaries to access second installment of retrofitting grant?	The beneficiaries can consult with the engineer's based in the field for retrofitting measures to be implemented. Then after completion of measures recommended by engineer, the technical team will inspect the house and recommend it to DLPIU housing. The DLPIU housing will then investigate the file and if found correct will forward it to GMALI for processing the payment.

Case Study

Support to Single Elderly Woman

Mithi Sunar is an old age single woman residing at Palungtar -6, Terso Pata. She has two daughters and they are now married another district. She doesn't have any technical ideas to build house. Those who have contact and ideas has already built the houses.

As Palungtar municipality is the working area of ODRC/UNDP, during their initial survey, Mr. Ram Bahadur Sunar (Aawas Nirman Sathi/trained mason) meet with her and motivated her for rec-construction of her house. Mr. Sunar linked masons for construction work and, he helped her for material procurement process. Also, facilitated on personal loan at local level. After that she decided for house re-construction process.

Technical support was provided by ODRC/UNDP and their trained mason visited her house at various stages so that Mithi Sunar's house met with all the building standards.

When D.P.C work was completed than the team of ODRC/UNDP helped her for first inspection with the help of NRA Engineer and regularly visit that house in different level.

Discussions with Mithi Sunar
