Field Visit Reports

Date	Location	Participants
4 th , 5 th and 6 th October	Tinkanya and Ratanchura (wards) of	Er. Kiran Mahat (M&E), Er. Rajiv Kumar Shah

2018	Golanjor Rural Municipality and Fikkal Rural Municipality, Sindhuli	(DSE), Mr. Tara Lamichhane (Social Specialist), Er. Lekhanath Paudel (DTC, HRRP), Mr. Sachin Malego (DIMO, HRRP)
Objective(s)	• Reconstruction Update/ Housing Reconstruction Challenges • Interaction between government agencies, implementing partners and local people • Collection of Typologies of Houses	
Summary	Joint visit was conducted by HRRP Sindhuli along with MOUD-CLPIU M&E (Kiran Mahat), DSE (Rajiv Sah), DLPIU-GMaLI, Social Specialist (Tara Lamichhane). The field visit gave an opportunity to MOUD-CLPIU and HRRP to observe, supervise and monitor ongoing construction of Houses (<i>Compliance & Non-Compliance houses</i>) at Tinkanya and Ratanchura wards of Golanjor Rural Municipality. In Ratanchura ward among total number of beneficiary 550 HHs had signed PA agreement and received 1st tranche, 455 HHs have received 2nd tranche GON housing grant. In Ratanchura and Tinkanya ward, most of the houses are Load bearing structures (StoneMasonry in Cement/Mud Mortar, Brick Masonry in Cement Mortar). According to chairperson of Ratanchura ward office, approximately 5 to 7 HHs had received 1st tranche but not started construction of houses yet. The visit provided opportunities to share Information to newly elected members & DLPIU Engineers. During the visit, we advised DLPIU Engineers to make local people aware of using earthquake resilience techniques. During the meeting with Fikkal Rural Municipality palika members we shared the survey form and action plan. They were aware of the reconstruction and had proposed us to make joint monitoring in every ward of Fikkal Rural Municipality in coordination with DLPIU-GMaLI, DLPIU-Building, FikkalGuanpalika and HRRP-Nepal. During the field visit housing typologies of newly constructed and on-going houses were collected. The typologies were collected from Tinkanya and Ratanchura wards of Golanjor Rural Municipality. The major factors affecting the typology of the houses were Availability of Manpower, Social-need Economic conditions, tradition, prevailing condition etc.
