Other	4%	30%
% of households who own their housing unit	95%	85%

(Census 2011)³

NEWS & UPDATES

1. After the completion of the local level elections, reconstruction has gained pace in Okhaldhunga. Among the identified 20,165 beneficiaries, 879 has been forwarded for the third tranche, which is the highest number of beneficiaries receiving the third tranche in the earthquake affected 14 districts.
2. Applications from 1,823 beneficiaries have been processed for the third tranche among which 168 cases have been registered as noncompliance. According to DLPIU Engineer, Prabesh Gupta, the training on correction and exception manual will be helpful for correcting those noncompliance cases.
3. The Okhaldhunga MOUD/DLPIU has provided about 40% incentive allowance to the DLPIU Engineers. The incentive allowance was provided based on the evaluation of the performance through indicators like door-to-door technical assistance, awareness meetings and house approval percentage. One of the DLPIU Engineers, Romas Giri, stated that the allowance has motivated the DLPIU Engineers to expedite reconstruction works.

District Profile - Okhaldhunga (as of 10 July 2017)

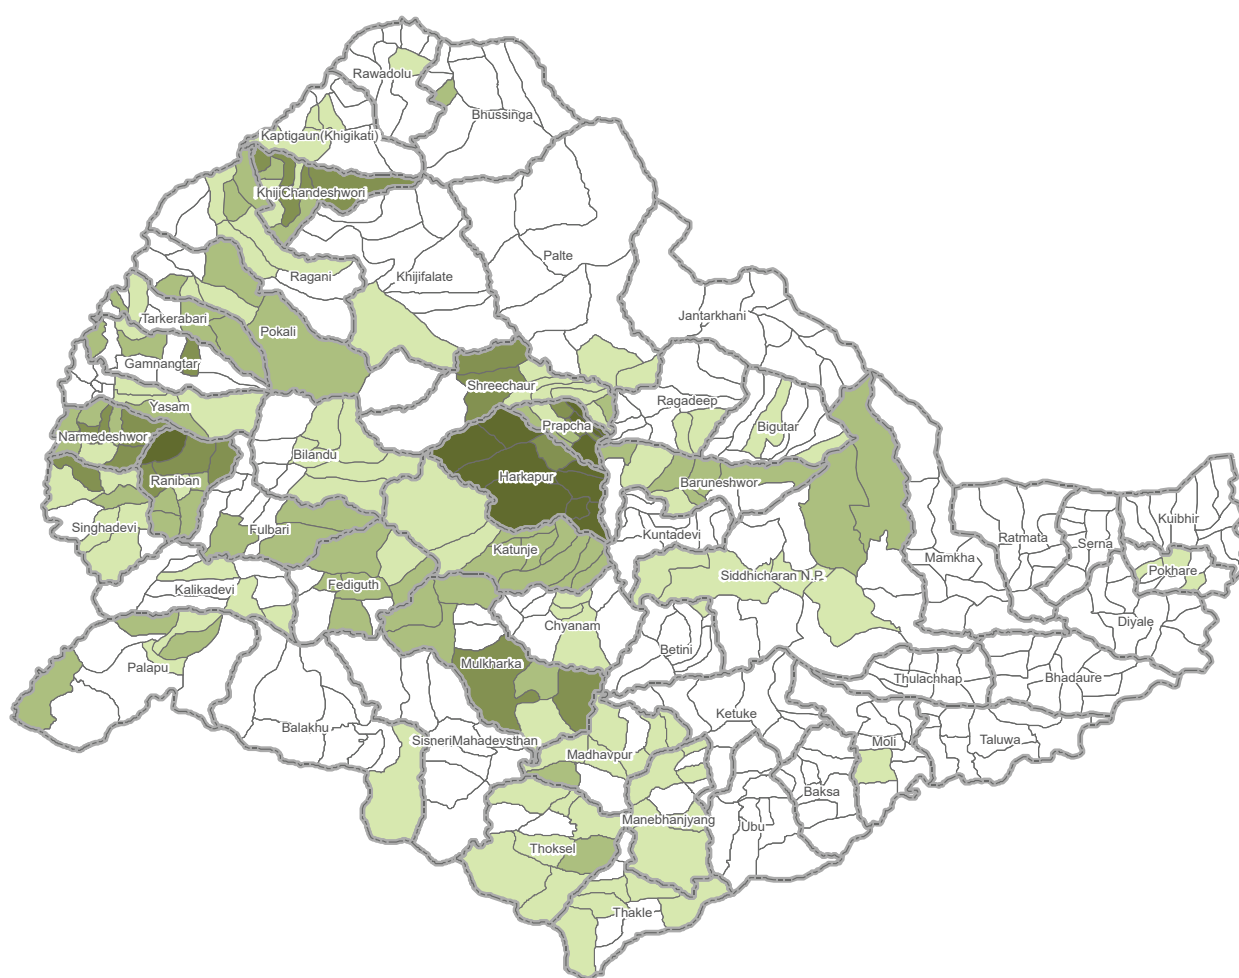

- 0 VDC with all 6 TA Activities
- 21 VDCs with no TA
- 8 VDCs with no TA and more than 60% damage

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 6 activities and the VDCs highlighted suggest the summation of the activities presented:

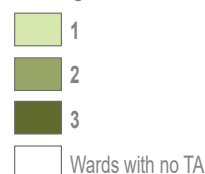

- a. Community/household orientation with more than 1 session
- b. Continuous Door to door technical assistance (Mobile Technical Support)
- c. Short training for Masons (Target achieved)
- d. Vocation/on the job training for masons (Target achieved)
- e. Helpdesk/Technical Support Center
- f. Demonstration construction

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.
