Agendas

- 1) Reconstruction updates**
- 2) Discussion on communication needs and priorities**
- 3) Discussion on the draft PSA messages**
- 4) AOB**

1. Reconstruction updates

Brabim Kumar K.C welcomed the members of communication working group and highlighted some updates on the communication and on the reconstruction

a) Communication updates

- i. Based on the communication strategy drafted by communication working group led by NRA (HRRP did share the draft strategy to all partners for their feedback) National Reconstruction Authority (NRA) has drafted communication action plan. During a meeting chaired by CEO, NRA media team shared the draft work plan to some organizations including HRRP, World Bank, UNDP, Red Cross, Swiss Embassy, NDI and JICA. The draft communication work plan is a comprehensive communication framework, which includes a range of activities from establishing a communications office at NRA, recruitment of communication team, media monitoring, strong online presence, radio and TV programs etc. As resource seems to be the biggest constraint to implement the plan, NRA is seeking partners support and collaborations. Within NRA, two communication committees are active, communication approval committee led by executive member Dhruba Sharma and communication endorsement committee led by Spokesperson Ram P. Thapaliya.
- ii. The second volume of information bulletin is public.
- iii. Some key messages produced by NRA can be found at HRRP's communication google drive
- iv. The TOR for communication working group has been shared with partners, feedbacks welcome.

b) Policy/reconstruction update

- i. I/NGO mobilization guideline, PDRF finalized.
- ii. NRA has released over Rs 11 billion for 11 quake-hit districts
- iii. Chiefs for sub-regional offices assigned by NRA
- iv. Committee for accessing the quality construction material for reconstruction formed
- v. Committee for resettlement and relocation formed

- vi. Enrolment: over 40,000 households enrolled about 1,000 people have received 50,000 – first installment from the housing grants

2) Community Feedback project's report

- a) CFP and Open mic collected some questions and categorized those questions accordingly, major questions are related to
 - i. Enrolment
 - ii. Households related issues:-
 - iii. Land issues:-
 - iv. Housing norms and standards
 - v. Finance related issues
 - vi. Relocation and re-settlement
- b) Perception survey from CFP

3) Update from partners

UNICEF: With UNICEF's support Radio Nepal is producing a 45 minutes radio show, which is aired through Radio Nepal and local radios. UNICEF will share the mp3 version, HRRP will create a folder for UNICEF to archive and share those radio programs.

Habitat for Humanity: Still waiting for approval of the project. Communication activities will begin after that.

IFRC: A radio program being aired through Image FM, Radio Kantipur and Sagarmatha FM. Radio episodes are available on Facebook as well.

JICA: Producing Enrolment specific messages, using street drama as a tool to inform people about safer reconstruction. Those materials are available at HRRP's google drive

Medair: Some activities are being planned

ASF: Produced some radio announcements

Discussion on PSA

*HRRP communication working group meeting
30 May 2016, HRRP*

Contact detail: Brabim Kumar K.C

Seven PSAs messages has been revised by the communication working group, HRRP will communication team will incorporate the feedback received from the partners, will share the PSA messages to NRA for approval.

AOB:

In addition to Radio messages, some technical messages need to be developed about safer reconstruction.

Next steps:

After the approval of Radio PSAs from NRA, communication working group will sit together to discuss on further communication activities.
