Summary of participants:	Total: 5	Female:3	Male: 2

Ward level meeting held on 14 Feb 2020 at Thakre rural municipality ward

no 8 to discuss about reconstruction, retrofitting status in ward and to find out reason behind non construction of house in ward . The main reason behind non construction of house was beneficiary staying abroad and Kathmandu, weak economic condition. Some have make up their mind to refund 1st tranche of 50,000 if they have to face such condition otherwise they have intension of no reconstruction.

- ❖ **Regarding vulnerable**, there were 6 vulnerable beneficiary on ward-6 of Gajuri RM. **The ward informed** that newly appointed social mobilizer will start work on finding and verifying beneficiary who comes under four category of vulnerability in order to receive 50,000 additional topup bonus . The namelist of 6 such vulnerable beneficiary was provided to the ward. It was also informed that the ward can add some beneficiary if some actual vulnerable beneficiary are missing and can remove some beneficiary if they aren't actual vulnerable beneficiary after verification and should forward the name list along with supported documents to GMALI office.
- ❖ **Regarding retrofitting**, there were 12 retrofitting beneficiary in ward 8 and none of them wish to retrofit their house and some have already applied to convert to RCB.
- ❖ It was also discussed with ward chief regarding legal case filed (Given ujuri) to 18 beneficiary of Thakre-8 by villagers about those beneficiaries getting 3 lakhs reconstruction grant even after houses constructed before 2072 earthquake, even they have house in different places).After that field visit to those beneficiaries was carried out along with ward chief so as to monitor such case. But during our monitoring, we haven't found any houses constructed before 2072 earthquake. All are constructed as per guidelines as placement of bands was clearly seen and some houses are in process of reconstruction.
