Progress with the disbursement of the GoN housing reconstruction and retrofit grants based on NRA GMaLI CLPIU data as of 31 Aug 2021

Urban Recovery Strategy Study update:

HRRP is coordinating the ongoing urban recovery study (March-September 2021) on urban issues commissioned by NRA with technical support by NSET, CRS and HRRP and UKAID. The objective of the study is to collate learning elements and prepare ground for integration of evidence-based urban strategies into specific government acts, policies, working procedures and regulation.

The study is now approaching its final report stage with the completion of all qualitative and quantitative assessments, and consultative meetings as well as key informant Interviews (KIIs), data analysis among others. During the last week of May, a study progress review meeting was organized by NRA. The consultant team in late June prepared the draft report and was subsequently submitted to NRA in the first week of July, for review and feedback.

In early August, a study progress update meeting was held at NRA on the draft report submitted by the study team, for NRA's guidance, review and overall feedback to the consultant/study team. Around late August, the study team submitted the final draft version report to the NRA for comments. Following the commenting period, a validation

team meeting will be organized for finalization. After finalization of the report, a dissemination workshop will be organized by the NRA. The final report will be included in the NRA's upcoming ICNR (International Conference on Nepal's Reconstruction) scheduled to be held in Dec 2021. For more information, please write to Bishan Wagle, Urban Coordination Officer: uco@hrrpnepal.org

Economic Impact Study update

HRRP is Leading the Economic Impact Study executed by a team of independent consultants. The quantitative survey for the study was completed in late June 2021 where a total of 72% of the targeted 6,600 survey households responded to survey questions. The study is now approaching its final report stage. As of 18 August 2021, major progress updates of the study include completion of all qualitative and quantitative assessment. Data Cleaning, coding, and detection of outlier data has also been completed and validated from the expert team.

Lately, a new timeline has been finalized for the study's report completion, publication and dissemination targets via ICNR secretariat's Meeting held on 9th Aug 2021. The report dissemination has been aimed at the upcoming ICNR Conference to be held on 7-9 December 2021. For more information contact, Mr. Sufi Mohammad Faiz dmt.coord@hrrpnepal.org or Mr. Yubraj Bhandari : nimo3@hrrpnepal.org

Damage Grade Assessment to initiate in response to Lamjung Earthquake

HRRP in collaboration with partners has been supporting the District Administration Office (DAO) and Municipalities of Lamjung district in response to quick and efficient emergency response after Lamjung Earthquake 2021 occurred on 19th May 2021. HRRP has played a crucial role in distribution of emergency relief items coordination and providing technical support to DDMC of Lamjung district. To continue with this, HRRP in joint coordination with CRS-Nepal and NSET's support aims in strategic planning and post-earthquake recovery

and reconstruction processes of Lamjung Earthquake, detailed Damage Grade Assessment (DGA) were planned to conduct further.

Regarding DGA, detailed orientation to NRA Technical staff of Lamjung district was organized from 30-31st August in Besisahar. The orientation focused mainly on discussion about the process of DGA, and interacted over roles of NDRRMA, NRA, DAO, GMaLI, Municipalities and CRS-HRRP during the execution. The orientation also interacted over technical know-hows of DGA Process to conduct in the field and processes of households selection for the assessment. To mark the effectiveness in DGA orientation, Under Secretary of NDRRMA, Dr. Dijan Bhattarai was also present and shared the key inputs to boost assessment process.

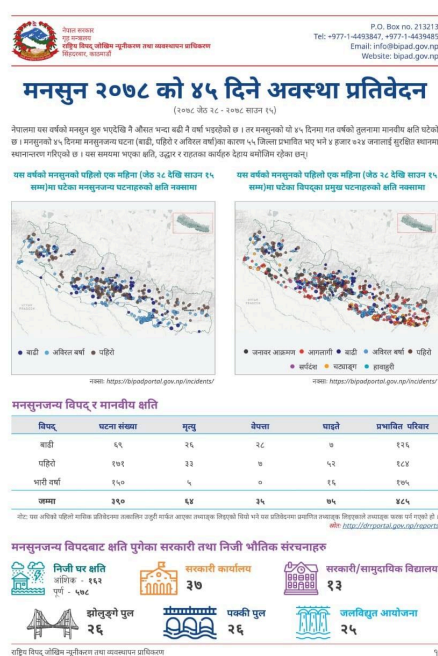

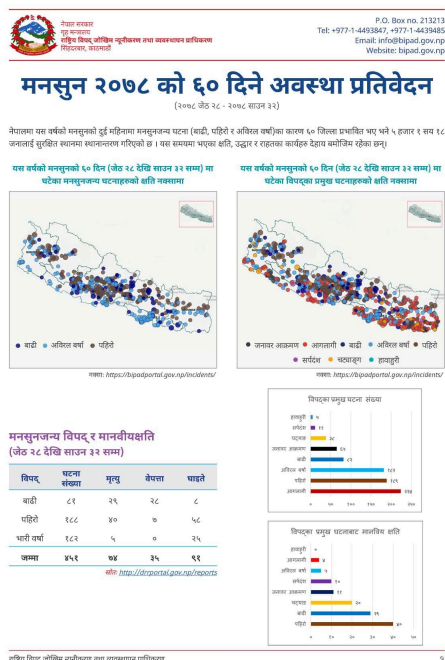

In support of DGA tasks, a virtual meeting was organized on Tuesday 31st Aug, 2021 (15th- Bhadra, 2078) from 11 am - 12:30 pm among all concerned stakeholders including CDO of Lamjung, Palika heads, Chief of GMaLI Lamjung and LERP Team. The key objective of this meeting was to discuss the process of detailed DGA for the damaged households by the Lamjung Earthquake which is planned to be conducted from 1st week of September in 10 affected municipalities across three districts (Lamjung, Tanahu, Kaski). The assessment will be carried out by our Ex Municipal level NRA technical staff at field level.

HUMANITARIAN SITUATION UPDATE

[COVID-19 update from Ministry of Health and Population \(MoHP\)](#)- (as of 30 Aug 2021)

According to the MoHP [website](#) national COVID-19 data, as of **30 August 2021**, a total cumulative new cases are 761,124 (via RT-PCR test) out of which 714,520 patients (93.9%) have recovered. Likewise, as per national death tally, a total of 10,730 (1.5%) people have succumbed to the virus as of 30 August MoHP data. For more information, click in the given

link [COVID-19 Response and Preparedness Plan](#) released by UN-RCO Office and Situation Report (SitRep) as of 20 Aug (covering the period 30 July-13 Aug) of [Nepal](#) [-COVID-19 Pandemic Sitrep #45 \(20 Aug\)](#)

NDRRMA -Monsoon 2078 First 45 days and 60 days

Report: The Government of Nepal (GoN), National Disaster Risk Reduction and Management Authority (NDRRMA) has prepared two reports covering the first 45 days and 60 days of this year's Monsoon. HRRP technically supported NDRRMA in the preparation of this Report. According to the first 45 days and 60 days Report on Monsoon 2021 of NDRRMA released on 3 August 2021 and 18 August 2021, respectively, 74 people have lost their lives between June 11 - August 16. The 45 days Monsoon Report highlighted the comparison of the monsoon related disasters and human losses in last year and this year. Likewise, The 60 days Monsoon Report highlighted the comparison of human losses within a ten years period 2068 - 2078 B.S. in major incidents of Flood, Landslide and Heavy rainfall.

PROVINCIAL UPDATES - GANDAKI

Lamjung Earthquake Response Program (LERP) Update:

As of 31 August 2021, the project has had some key activities and achievements including acknowledgement for the development of Post Disaster Need Assessment (PDNA) and Post Disaster Recovery and Reconstruction Framework (PDRF) from the District Administration Office. Questionnaires for KII and FGDs for Multi-Sectoral Damage Need Assessment were also finalized and MSNA was rolled out, where Key Informants Interviews and Focused Group Discussion are ongoing at the field. The project also distributed shelter kits for 200 beneficiaries and also distributed Food Items for 50 vulnerable households. Six temporary demo shelter construction is completed, whereas socio-technical assistance for all the earthquake affected population is ongoing during field visits as well as remotely. Cash distribution is also completed for 44 vulnerable households. Regarding Damage Grade Assessment (DGA), a detailed orientation to NRA Technical staff of Lamjung district was organized from 30-31st August 2021 at Besisahar. The orientation focused mainly on discussion about the process of DGA and also informed about roles of NDRRMA, NRA, DAO, GMaLI, Municipalities and CRS-HRRP during the execution of DGA. For more information contact Rijan Gajurel, National Coordination Officer: rijan.gajurel@hrrpnepal.org

Gandaki Shelter Cluster Coordination update: Recent incessant rain was observed continuously for days in many parts of Nepal, including in Gandaki Province. Minor to moderate landslides and rockfall were observed that obstructed the major road networks' access to reach many locations of the Province. Some key situation updates from Gandaki shelter cluster includes - 3 HHs were severely affected by rainfall induced landslide in Jaljale Rural Municipality-3 in Parbat district causing death of 1 person and 3 injured. To interact

over the ongoing situation updates and responses to affected families, a coordination meeting of the Gandaki Province shelter cluster is scheduled for 2 September 2021. The Gandaki Shelter Cluster Coordination is led by CRS-Nepal. For more information, contact Prakash Basnet: prakash.basnet@crs.org

PROVINCIAL UPDATES-BAGMATI

Bagmati Shelter Cluster Coordination update: Incessant rain was observed continuously for days in many parts of Nepal, including Bagmati Province. Minor to moderate landslides and rockfall were observed that obstructed the major road networks' access to reach many locations of the Province. Some key situation updates from Bagmati shelter cluster includes -Ward no 6 & 7 of Melamchi Municipality and Ward no 4 of Helambu Municipality, in Sindhupalchowk district, faced displacement of altogether 15 HHs due to landslides. Bagmati Shelter Cluster Coordination is led by HRRP. For more information contact Rijan Gajurel: rijan.gajurel@hrrpnepal.org

In **Sindhupalchowk** district, the District Facilitation and Coordination Committee meeting was held on 11 August 2021, where GMaLI Chief Mr. Bharat Prasad Acharya shared about reconstruction progress. Of 91,035 reconstruction beneficiaries in the district, 82,736 beneficiaries have received third tranche of GON housing grant, while 86,978 have received the second tranche and first tranche is received by 89,172 beneficiaries. Though there are 421 retrofitting beneficiaries, only 222 of them have received the first tranche, while the second tranche is received by only one beneficiary. The meeting concluded with a decision to take commitment from beneficiaries to complete housing reconstruction within the deadline i.e end of Kartik B.S 2078 (15 November 2021). DLPIU-Building has also decided to retain technical staff for providing technical assistance to complete remaining housing reconstruction in Sindhupalchowk District.

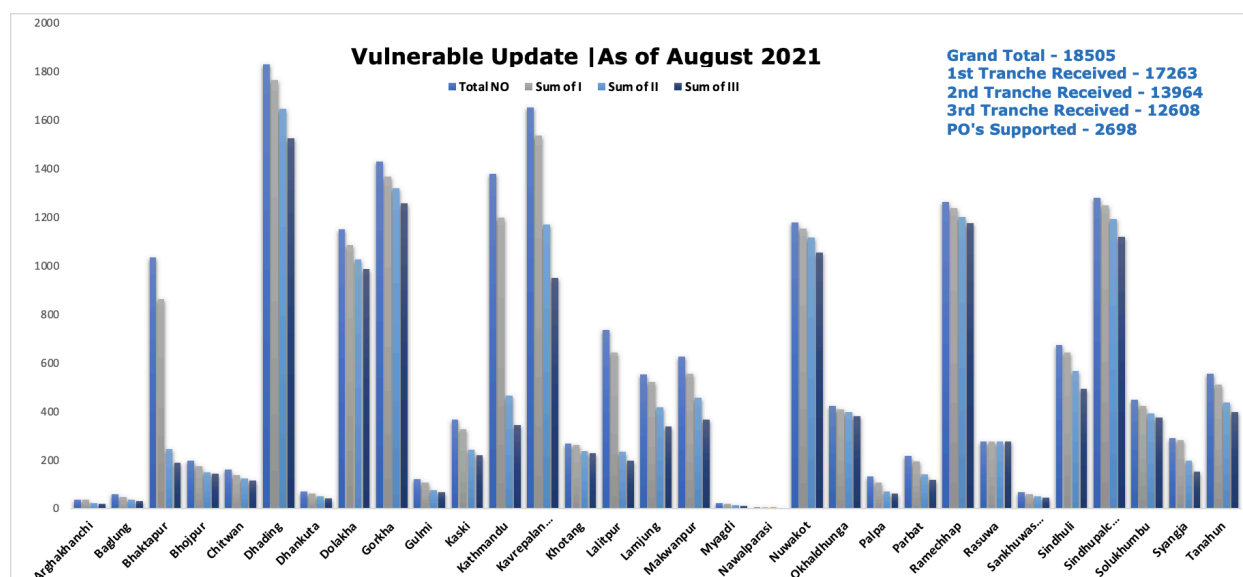

In **Bhaktapur** district, the Ward-7 of Bhaktapur Municipality organized an interaction meeting on 31 July 2021. In the meeting, the Mayor of Bhaktapur Municipality and

Chairman of Ward-7 interacted with those beneficiaries who are yet to reconstruct their houses, in order to identify their needs and find ways to help complete housing reconstruction. In the Bhaktapur Municipality, housing reconstruction is completed upto 40% only, land tenure issue and poor economic condition are some of the challenges pertaining to housing reconstruction.

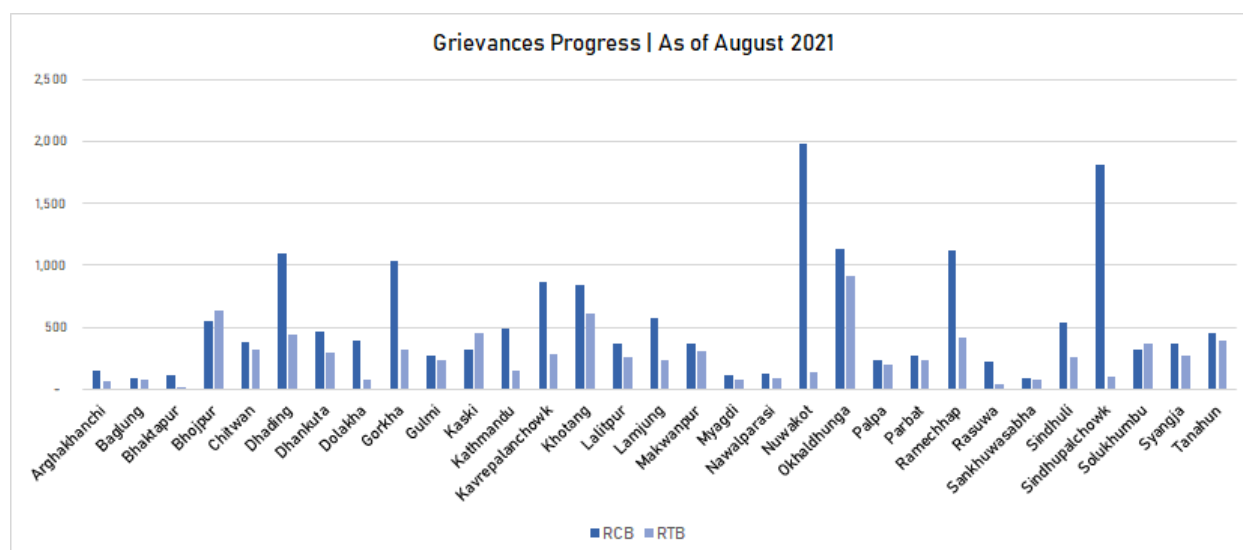

In **Lalitpur** district , Godawari Municipality released a public notice dated 16 August 2021 for registration of details of contractors and masons constructing houses/buildings of Category B, C, and D. The municipality has also made compulsory registration of trained mason and contractors in the housing reconstruction database. The registration prioritises the masons and contractors receiving training certificates in safer & resilient reconstruction.

Vulnerable Households Reconstruction

Vulnerable Households Reconstruction (August 2021): Out of the total **18,505** NRA identified vulnerable households, 93% (**17,263**) have received the first tranche, 75% (**13,964**) have received the second tranche and 68% (**12,608**) have received the third tranche. In total 2,698 HHs have been supported by various partner organizations.

Grievances Data Update: As of August 2021, **25,254** grievances have been addressed by NRA, out of which **17,027** HHs have been enlisted as reconstruction beneficiaries and **8,227** as retrofitting beneficiaries.
