Kathmandu, Babar Mahal, DUDBC, Meeting Hall,
Thursday, 18 February 2016, 15:00 -17:00

Agenda

1. General meeting

- Welcome and update from DUDBC (Mr. Rabi Shah)
- Update on HRRP activities
- Update and analysis of 4W survey findings
- Details about information sharing modality
- Next meetings

2. PO Forum

- Linking masons' training with the construction of model houses, by. Subas Subedi, Helvetas Nepal Employment Fund Skills
- JICA's build back better housing training by Amit Timalsena, JICA (TPIS-ERP)
- Discussion

Update on HRRP activities

1. Launch of TWG on training for social mobilizers
2. Preparatory work for TWG on training and technical guidance for housing reconstruction
3. TWGs draft communications strategy for NRA in final stage and shared with POs for their feedback;
4. Consultation with NRA and POs on additional TWGs (e.g. land and resettlement issues, top-up policy for most vulnerable households, communication, etc.)
5. Coordination meeting in Kathmandu with POs active in Dolakha to mobilize support for enrollment
6. Fieldtrip to Dolakha: meetings with Pos, communities and local authorities and support to NRA at district level
7. District level coordination meetings taking off on a regular basis
8. Consultation with POs on the future of HRRP planned

Emerging issues from Dolakha field visit

Important preparatory work for reconstruction already done and clearly visible on the ground!

Emerging issues (contd)

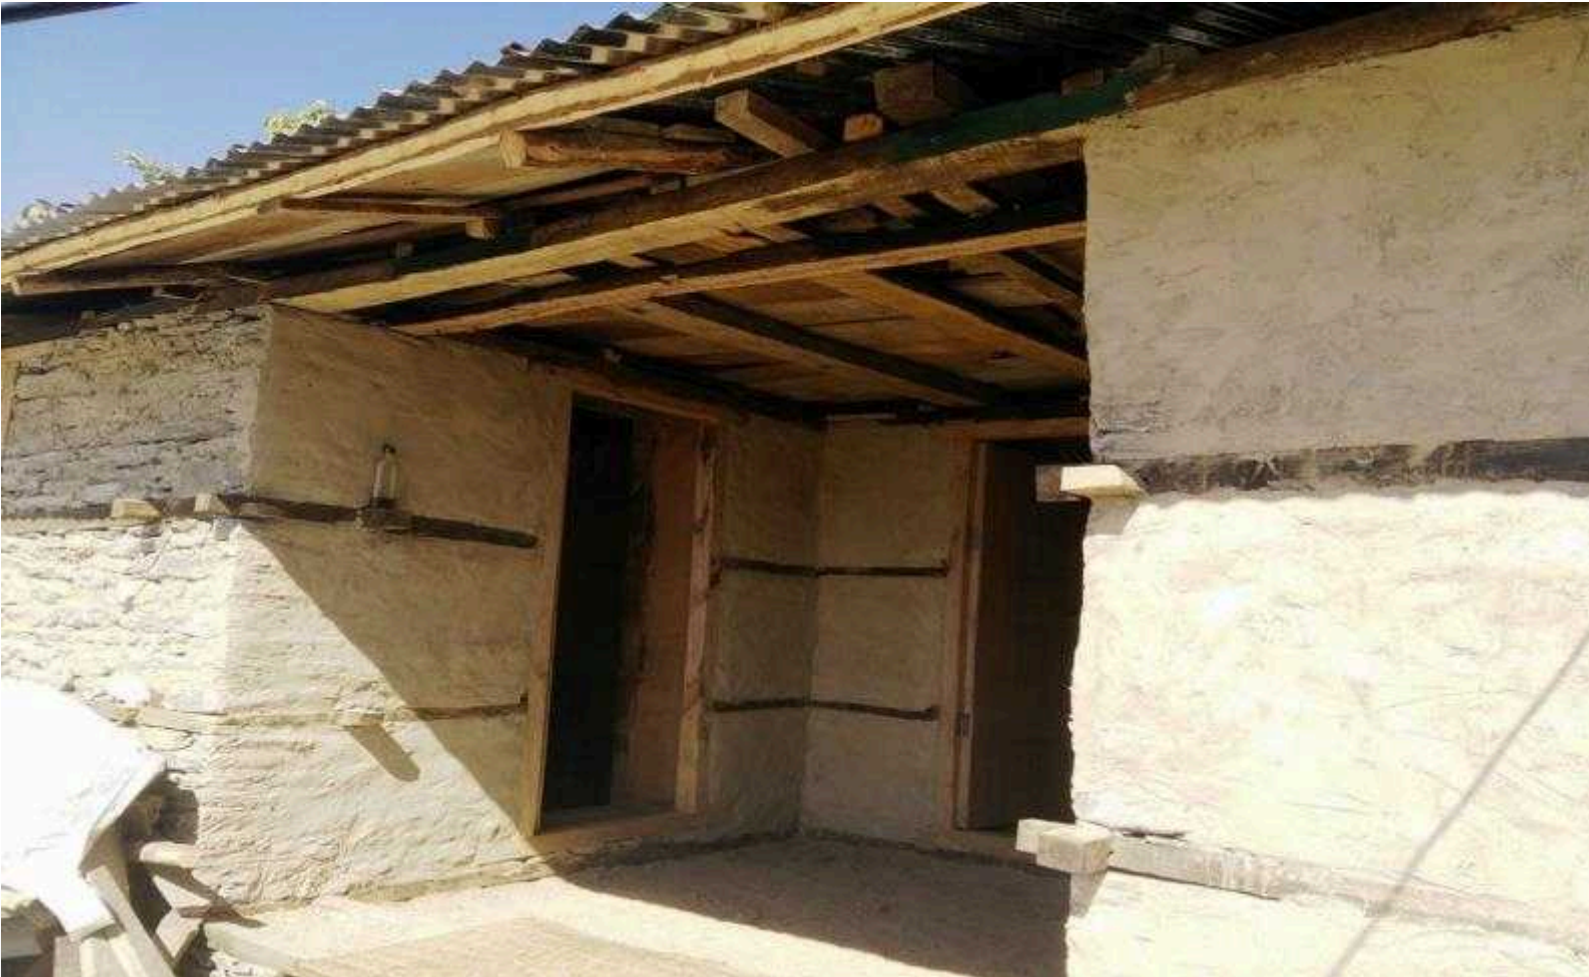

Many partially damaged houses can be repaired: people need encouragement and guidance!

Emerging issues (contd)

New houses may be built on foundation of old houses

Emerging issues (contd)

Model houses can be built based on analysis of local housing culture and affordability

Emerging issues (contd)

Opportunity to provide additional information along with model houses

How many installments?

“We need to be guided and not to be controlled”

NRA's request for support from POs

- Reconstruction policy framework, including eligibility criteria for beneficiaries, SOP for enrolment, etc. will be published soon
- Pilot project in 2 VDCs in Dolakha (Laduk and Lamidanda) expected to be launched between 25.02 and 15.03.
- By 25.04 NRA plans to start the distribution of the first instalments in all districts
- HRRP TA team requested to provide support on communication, social mobilization, training, technical standards and in mobilizing the support of POs
- The support of POs in activities related to enrolment (before, during and after) and to provide guidance during reconstruction is urgently needed

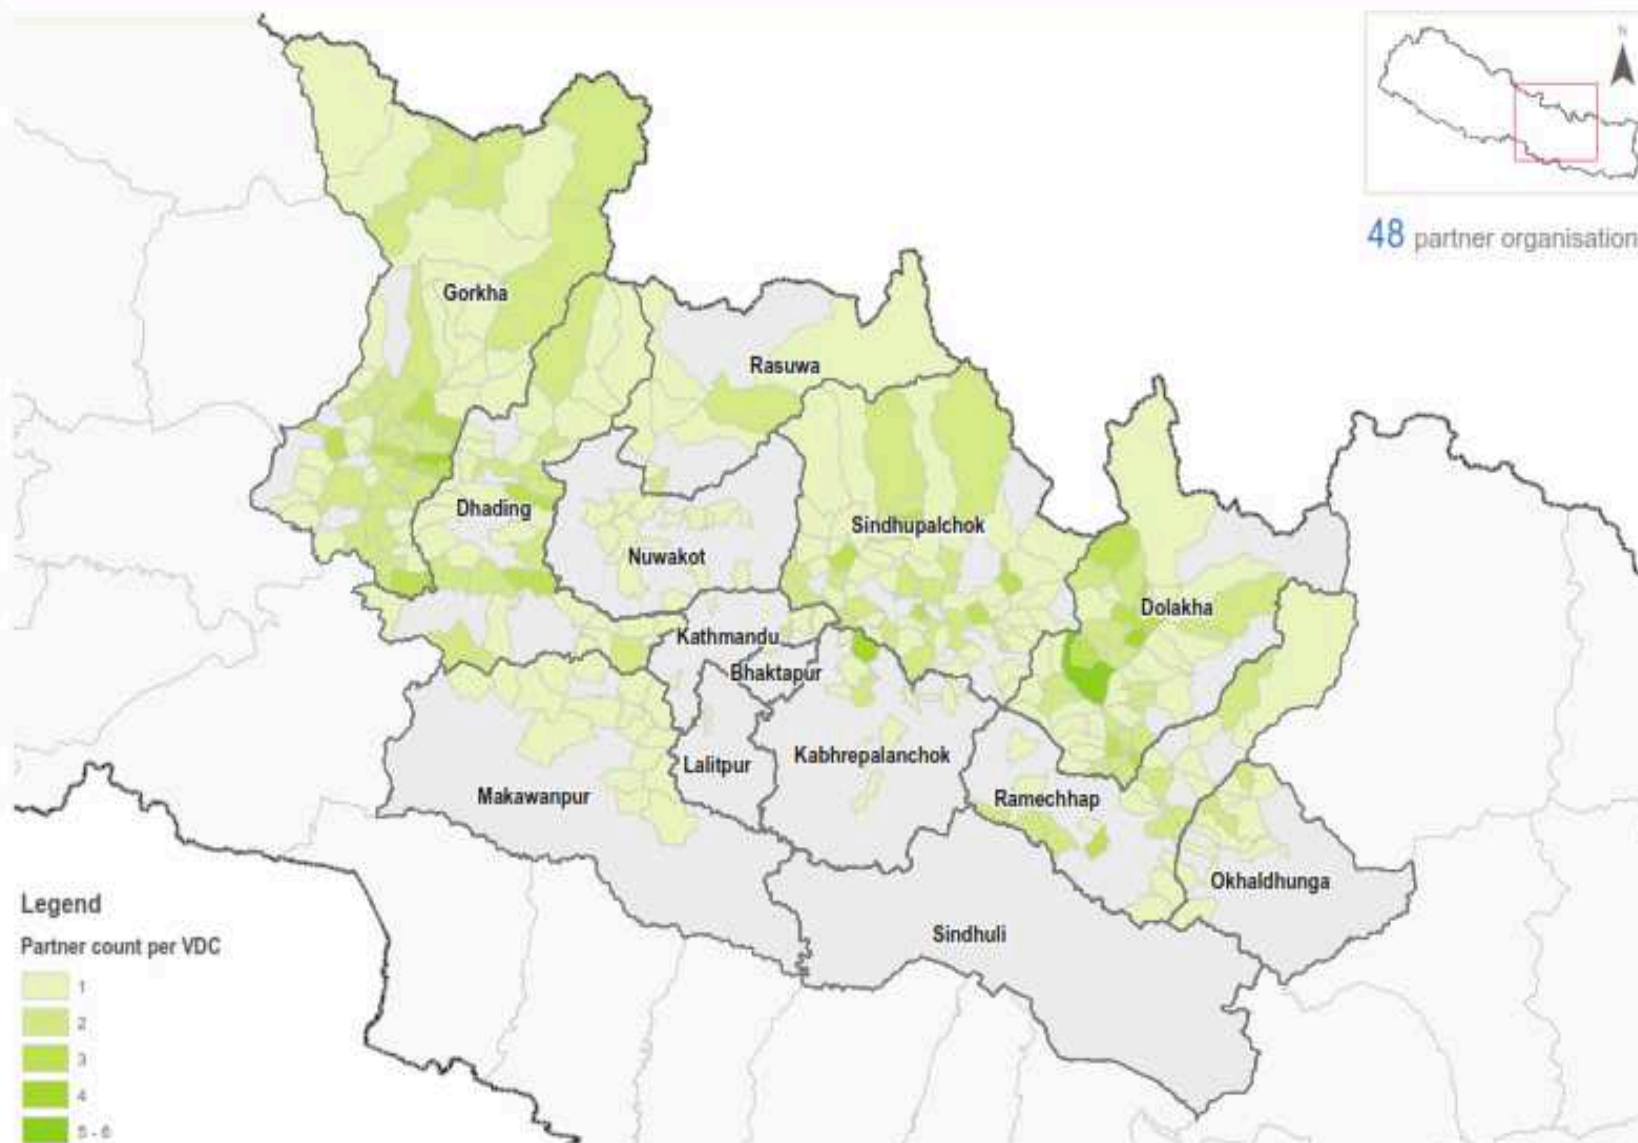

→ Detailed information about about human resources that can be made available to support NRA's national reconstruction programme are urgently required!

TWG on training for social mobilizers

- TWG was launched following a **thematic meeting** held at HRRP office on 12.02
- **TWG members:** Build Change, Hands International, IFRC, GIZ, Minergy, Lumanti, Handicap International, UNV, HRRP
- **3 Training modules** for social mobilizers are proposed:
 - Module 1: Government policies, plans and programs
 - Module 2: Technical - earthquake resistance house
 - Module 3: Social skills
- On 14.02 TWG met and drafted the TOR for SM and finalized the contents and topics of each modules
- **Expected outputs are:**
 - Training session plan with related IEC materials for social mobilizers
 - Guidebook in A5 size per social mobilizers including
 - Key messages
 - Reasons/explanation lying behind the key messages
 - How to explain them
 - Explain key messages through analogies familiar to homeowners
 - Frequently asked questions and answers
- **Requested support from POs**
 - Sharing of training and IEC materials
 - Resources for developing other IEC materials (e.g. sketchers, financial support for printing IEC materials and guide book)
 - Pilot testing of training material

48 partner organisations

Legend
