**House of Representatives and Provincial Elections 2017:** the elections will take place in two phases with the first on 26 November and the second on 7 December. The election code of conduct is effective from 31 August so Partner Organisations (POs) need to be aware of and follow provisions related to them (point 15 in the code of conduct). More information can be found on <http://www.election.gov.np>.

**Disaster Management Act Tabled with Parliament:** it is expected that the future disaster management architecture will include a National Council for Disaster Risk Reduction and Disaster Management, a five member expert group (including a geologist, medical doctor, disaster management / environment / infrastructure experts) to provide advice to the GoN, a National Disaster Risk Reduction and Management Center under the Ministry of Home Affairs (MoHA), Provincial Disaster Management Committees, and District and Local Disaster Management Committees (where district committees will be chaired by the CDO and local committees will be chaired by the Rural / Urban Municipality Mayor).

**Shelter cluster Technical Working Group (SC TWG) Meeting, 14 September:** the meeting was held at DUDBC and three key draft documents were discussed; TOR of the TWG, Shelter Cluster National Guideline, and the Shelter Cluster Action Plan. The TOR of the SC TWG was finalised during the meeting and it was agreed that the TWG will be activated up until mid-2018 to support the flood response as well as preparedness activities. The TWG will meet once per month or as required. The members of the TWG are DUDBC, IFRC, NRCS, HRRP, Caritas Nepal, Plan International, Welthungerhilfe,

and Save the Children. For further information, or to get involved in the TWG, please contact Deepika Bhardwaj, [Deepika.BHARDWAJ@ifrc.org](mailto:Deepika.BHARDWAJ@ifrc.org).

**NRA 5W Reporting:** to date 144 out of 148 (97%) POs have reported to the NRA 5W. POs who have already reported should have received their login details for the online MIS project reporting system. The [user manual](#) provides full details on how to use this system and POs can contact Gaurab Pradhan ([gaurab@hrrpnepal.org](mailto:gaurab@hrrpnepal.org)) if further information is required. Once the NRA 5W is fully up and running the HRRP 4W will be phased out.

**Milijuli Nepali, Episode 740:** in this episode the presenter interviews residents of Rumjhatar, Okhaldhunga as well as NRA Engineer, Vivek Basnet. The residents raised questions with the engineer about building a resilient house and the government grant for housing reconstruction. Er. Basnet talked about techniques to build a resilient house, including the importance of sturdy connection to bind the corners where the walls meet. He also discussed fixing the lintels and improving the strength of damaged houses.
