- To take updates of urban reconstruction and recovery initiatives taken forward by POs in Ward no.22 in Bungmati
- To take feedbacks by beneficiaries and from ward stakeholders about recovery initiatives taking place in Ward no 22, Bungmati.

ASIA Regional Director, Marc D'Silva visited Nepal in 3rd week of September. A short visit to Ward no 22, Bungmati, Lalitpur Metropolitan City was organised by HRRP and Lalitpur District Coordination Team whereby focusing on getting to explore CRS Nepal team, programming and operational context from urban recovery and urban reconstruction to development moving forward.

after regeneration and reconstruction of culturally important heritage monuments of Bungamati area. Currently NRA in direct coordinating with BARDEC is reconstructing Rato Machhindranath temple, in which fund assistance were provided by Government of Srilanka.

The key challenges of shelter reconstruction highlighted in Ward no. 22 is related with maintaining the cultural authenticity of heritage areas, addition of extra storeys by beneficiaries other than mentioned in building drawing, disputes over land ownership among multiple beneficiaries and small parcel land holding and poor economic capacity of beneficiaries. Lack of proper awareness among beneficiaries about building bylaws and minimum requirements have questioned the resilience capacity of the reconstructed houses. Short presentation was conducted by Senior Programme Officer of UNHabitat on Urban Recovery and Private Housing Reconstruction Works on-going in core areas of Bungmati.
