News & Updates

“MOFAGA/CLPIU/EHRP/DLPIU organized workshop to POS at DAO, Dhading”.

- HRRP has taken part on this and briefly discussed the role of HRRP including issues and challenges of the district.

“Transparency International organized Public hearing program at Salyantar, Tripurasundari RM, Dhading”

Some of the main points raised during the public hearing were: -

- Unresolved non-compliance cases.
- Unenrolled beneficiaries who have been the real victim of 2015 earthquake.
- Buddhi-Gandaki hydro flood victims are neither able to sale their land to build house at safer/desired place nor can build permanent house at the place of origin. The victims have been allowed to build temporary shelter but NRA haven't published any design for the temporary shelter yet.
- An issue regarding delay in inspection from engineers was raised from public. It was said that ward leader and engineer coordinated to forward files in a biased way.
- Grievance registered have not been resolved till date. It will directly affect the reconstruction and further delay will result in excessive cost in construction.
