Key Discussion

Introduction:

The meeting took place at DDC office, Manthali, Ramechhap on Wednesday, 20 July 2016. The formal meeting started with short introduction and was chaired by DDC and there was chief guest from NRA. A total of 19 participants representing different organizations participated the HRRP coordination meeting. The meeting was focused on Enrolment / Grievance status, banking process for enrollment, mason training coverage and gap, loadbearing construction model and open discussion in the challenges faced by POs.

Enrollment/Grievance status and Banking process:

DDC information officer Mr. Deepak Subedi presented the current status of enrollment in Ramechhap. Enrollment has been completed in Ramechhap. Till date the enrolled number is 40,651 among total 43,609 eligible beneficiaries. 13,545 grievances have been reported and only 1,104 beneficiaries have been able to received first tranche. Eight banks will support on distributing cash grant in Ramechhap.

Presentation on Loadbearing construction at rural area:

DUDBC Engineer Mr. Ramesh Thing gave presentation on loadbearing construction concentrating on rural area. It was more focused on structural member of earthquake resistive loadbearing construction. He also gave briefing on 10 key messages which are needed to be concerned during construction on rural areas.

Mason training (coverage and gap at VDC):

Till date eight POs are working on mason training in several VDCs (16 VDCs and 1 municipality). Currently 239 individuals have already received short mason training on DUDBC curriculum and 260 have been trained with CTEVT vocational mason training among 560 planned.

Update 4W and other information:

Sharing of latest 4W report with the partners and also provided with the latest district profile to all partners. Shared few other related information through HRRP website. And the partners also share their recent ongoing and planned activities.

Open discussion:

In open discussion session, it was more focused on the NGO/INGO guidelines by NRA. There was a discussion on the process for banking service for NGO/INGOs who are willing to support on NPR 2, 00,000 for eligible beneficiaries and the requirement of latest mason database in the district. NRA also requested HRRP to support on providing details of branchless banking in the district.

Remarks by NRA:

NRA said that grievance guideline has been developed and work process will be starting on 4th week of July 2016. The grievance working committee formed the following in 4th level.

1. VDC/Municipality level
2. District level (CDO chairperson)
3. Sub regional level (NRA , Dolakha)
4. National level (NRA Kathmandu)

Action Points:

1. HRRP to share the list of participants in the Mason Training database to DDC and DUDBC and update on regular basis.
2. HRRP to share the banking service mapping as per Branchless banking facilities in Ramechhap.

Next Meeting:

TBD
