Key Discussion

Introduction:

The meeting took place at SABAL office, Manthali, Ramechhap on Friday, 13 May 2016. The formal meeting started with short introduction. A total of 12 participants representing different organizations participated the HRRP coordination meeting. The meeting was focused on Enrolment updates and open discussion in the target for Mason Training and Model house demonstration in each VDC.

Enrollment Updates:

Second Phase of enrollment in Salu and Bhatauli VDC is ongoing in Manthali municipality office with limited support and near to completion. In last DDRC meeting, SDC Swiss Embassy shows interest to support in enrollment in remaining VDCs in Ramechhap. VDC Secretaries from 21 VDCs were ready for enrollment where SDC Swiss Embassy is supporting for pre-enrollment and during enrollment process.

Partners Support in Enrollment:

SDC will be supporting for Radio message broadcasting, 10 volunteer staffs in enrollment center, stationary package for enrollment and transportation support.

DUDBC will be supporting for technical assistance in enrollment in all remaining VDCs of Ramechhap.

Update 4W and other information:

Sharing of latest 4W report with the partners and also provided with the latest district profile to all partners. Shared few other related information through HRRP website. And the partners also share their recent ongoing and planned activities. There was also a presentation from *Kam for Sud* on Mason training. Mr. Rajan Shrestha gave a brief presentation on Mason Training and also designs of Model house they are working on and shared the major concept of the training.

Open Discussion:

In open discussion session, it was more focused on the target required for Mason trainings and Model house demonstration in the ward, VDC and district. Since there is lack of capable individuals in the district for mason trainings, it is difficult to set the target even though there is need of high numbers of Mason trainings.

There was also discussion on Survey questionnaires for model house construction and also provided sample questionnaire to the partners. The partners were made clear about the survey and briefed that it is carried out to capture more information on model house demonstration.

Action Points:

1. POs to share the list of participants in the Mason Training each VDC.
2. POs to share the survey for Model house demonstration.
3. POs to share the support details in enrollment till date.
