

17th meeting of the National Council for Disaster Risk Reduction and Management (NCDRRM)

KEY HIGHLIGHTS

- **10th Commemoration Ceremony of the Gorkha Earthquake Observed**
- **17th Meeting of the National Council for Disaster Risk Reduction and Management Held**
- **Detailed Damage Assessment (DDA) Progress of Jajarkot EQ and September 2024 Monsoon affected HHS**
- **Training for Engineers Assigned to Conduct Detailed Damage Assessment (DDA) of Private Houses Affected by Jajarkot EQ and September 2024 Monsoon**
- **Development of Monsoon Preparedness and Response National Action Plan 2082 Underway**

KEY GOVERNMENTAL UPDATES

10th Commemoration Ceremony of the Gorkha Earthquake Observed

On April 25, 2025, the National Disaster Risk Reduction and Management Authority (NDRRMA) organized a commemorative event at Dharahara, Kathmandu, to mark the 10th anniversary of the 2015 Gorkha Earthquake. The event brought together representatives from the Government of Nepal, diplomatic missions, development partners, and UN agencies in a moment of collective remembrance and reflection.

Addressing the gathering, Rt. Hon. Prime Minister K.P. Sharma Oli highlighted the nation's journey over the past decade, noting the significant progress made in post-earthquake reconstruction and recovery. He emphasized that Nepal's ability to rebuild stronger reflects the country's resilience and determination in the face of adversity.

Hon. Minister for Home Affairs, Ramesh Lekhak, underlined the importance of the occasion as an opportunity to reaffirm Nepal's commitment to reducing disaster risks. He called for sustained efforts in building resilient infrastructures that can endure future hazards.

Engineer Dinesh Prasad Bhatt, Executive Chief of the NDRRMA, shared reflections on key lessons learned since the 2015 disaster. He noted that the reconstruction experience has contributed

significantly to enhancing disaster governance and risk management systems across all levels of government.

As a symbolic tribute, a moment of silence was observed at 11:56 AM, the exact time when the earthquake struck ten years ago. This was followed by a ceremonial lighting of lamps in honor of those who lost their lives.

17th Meeting of the National Council for Disaster Risk Reduction and Management Held

The 17th meeting of the National Council for Disaster Risk Reduction and Management (NCDRRM) was held under the chairmanship of Rt. Hon. Prime Minister and Council Chairperson KP Sharma Oli at the Office of the Prime Minister and Council of Ministers, Singha Durbar on 7th April 2025.

Key decisions of the meeting:

- **Accelerate Reconstruction and Rehabilitation Efforts for Western Nepal Earthquake and September Floods:** With the direction to accelerate the reconstruction process, discussions were held regarding the budget allocation to advance the process.
- **Progress Review:** The Executive Chief of NDRRMA, Er. Dinesh Bhatt presented an update on the implementation status of the reconstruction and resettlement plan for September monsoon affected regions.
- **Forest Fire and Air Pollution Prevention:** The meeting directed the Ministry of Home Affairs, Ministry of Forests and Environment, provincial governments, and local levels to launch awareness campaigns and related programs to prevent and control forest fires and the resulting air pollution.

Interactive meeting between NDRRMA and Cluster Leads/Co-leads

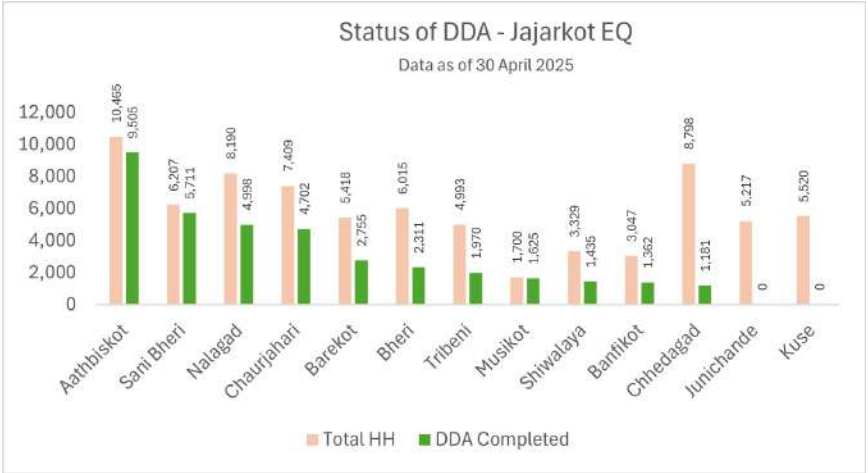

A discussion was held between the NDRRMA and cluster lead ministries and co-leads on April 27, 2025, with the primary focus of briefing on International Humanitarian Coordination Architecture and Inter-Cluster Coordination Groups (ICCG) Coordination SoP, currently being prepared by the UNRCO/UNOCHA.

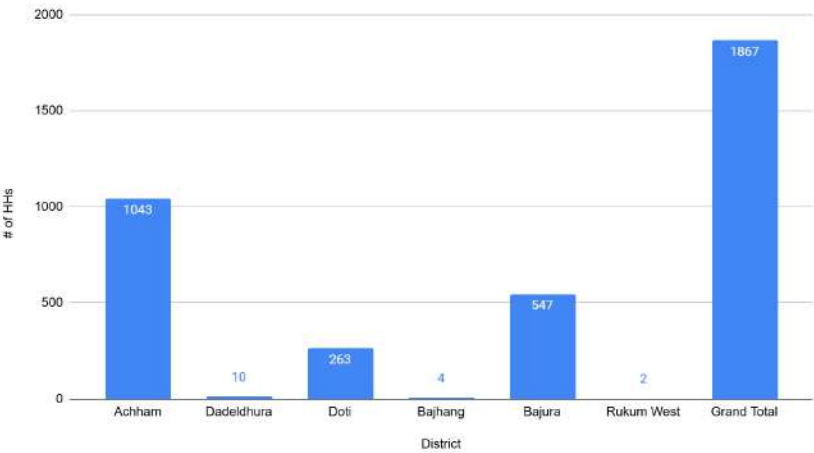

The progress status of the Standard Operating Procedures (SOPs) being prepared for coordination between the International Humanitarian Architecture and Inter Cluster Coordination Groups (ICCG) was also shared during the meeting.

DDA Trainings Conducted for Technicians on Detailed Damage Assessment of HHs affected by the September 2024 Monsoon-Induced Disasters

A two-day training on the Detailed Damage Assessment (DDA) Tool for Monsoon Induced Disasters (Flood and Landslide) was conducted in Roshi Rural Municipality on April 10-11, 2025. Facilitated by the NDRRMA and NHSRP, the training enabled the technical participants from the municipality and UNDP to conduct the assessment of the private houses affected by floods and landslides.

Similarly, one-day training on the tool was conducted for 13 technical persons from MoUD on April 23, 2025, at the NDRRMA. These engineers, also engaged in the DDA at Jajarkot and Rukum West will be deployed for the DDA assessments in the severely affected districts of Bagmati, Madhesh, and Koshi Provinces.

Detailed Damage Assessment of September 2024 Monsoon-Induced Disaster Begins in Roshi Rural Municipality, Kavrepalanchok

The detailed damage assessment of private houses affected by the monsoon-induced disaster of 2024 has officially commenced in Roshi Rural Municipality, Kavrepalanchok. Hon. Home Minister Ramesh Lekhak inaugurated the assessment by handing over “Nissa” (Damage Identification Form) to the residents, Dhansing Lama, Raja Bohora Kshetri, and Subatra Sinchuri of Rosh-2, Narayantaar.

Following the assessment and data verification, damage grade will be assigned which will enlist the HHS as reconstruction, retrofitting and rehabilitation beneficiaries.

MONSOON PREPAREDNESS AND RESPONSE PLAN, 2082

Development of Monsoon Preparedness and Response National Action Plan 2082 Underway

The formulation of the Monsoon Preparedness and Response National Action Plan 2082 has officially commenced, with the aim of assessing disaster risks based on 2082 monsoon forecasts and analyzing past disaster data to anticipate potential monsoon-related hazards. The plan aims to harmonize preparedness and response initiatives across ministries, departments, security forces, humanitarian partners and key stakeholders. It also establishes a coordinated framework to support the development of similar action plans at the provincial, district, and local levels.

To lead this initiative, a task force has been formed under the coordination of the Joint Secretary of the NDRRMA. The task force includes Undersecretary-level representatives from key government ministries and departments, security agencies, and technical institutions. The preparation and submission of each cluster's action plan, including preparedness and response activities, is ongoing through cluster leads and co-leads. To expedite the process, the task force has formed a drafting team led by the Spokesperson of NDRRMA, comprising representatives from NEOC, UNRCO, UNDP, and NHSRP.

PARTNER'S UPDATE

Nepal's Disaster Management Takes a Step Forward with New Monthly Dialogue Commitment

The first edition of “गृहमन्त्री सँग विपद् संवाद”, focused on urgent disaster management priorities ahead of the monsoon, highlighting gaps in early warning, financing, and coordination. Stakeholders emphasized practical, low-cost solutions and stronger roles for local governments.

Hon. Home Minister Ramesh Lekhak committed to holding monthly dialogues and linking NDRRMA's performance to implementation of recommendations. NDRRMA pledged swift action, including a focused preparedness plan and tech partnerships to

enhance early warning systems.

National Policy Dialogue on Landslide Early Warning System

A National Policy Dialogue on Landslide Early Warning System was held on April 17, with an aim to improve the effectiveness of early warning systems in Nepal, particularly for landslides. This dialogue is part of broader efforts to reduce disaster risk through early warning measures, with a focus on specific hazards like landslides, floods, and extreme weather.

Two-day workshop on "Fundamentals of Adaptive & Shock-Responsive Social Protection"

The workshop was attended by officials from local governments, provincial administrations, and federal ministries responsible for social protection and disaster risk reduction and management.

The workshop was attended by officials from local governments, provincial administrations, and federal ministries responsible for social protection and disaster risk reduction and management.

PROVINCIAL UPDATES

Home Minister Ramesh Lekhak Hands Over Gandaki Provincial Emergency Warehouse

Hon. Home Minister and Chairperson of the Executive Committee for Disaster Risk Reduction and Management Ramesh Lekhak officially handed over the Gandaki Provincial Emergency Warehouse to the Gandaki Province Chief Minister Surendra Raj Pandey on April 18, 2025.

The emergency warehouse is intended for the storage and packaging of essential materials required for immediate rescue and relief operations following disaster events.

Provincial Technical Working Group for Protection Cluster Established in Lumbini Province

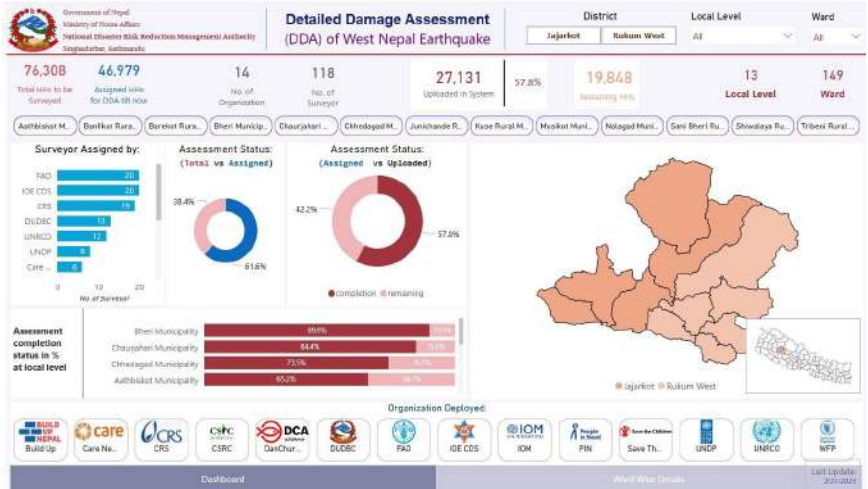

On April 4, 2025, the Ministry of Social Development organized a meeting at the Lumbini Province

Meeting Hall, supported by the SUPER Project in collaboration with UNFPA, UNICEF, UNDP, and UN Women. The primary objective was to establish a Technical Working Group for the Protection Cluster and to develop a strategic work plan for mapping disabilities across Lumbini Province. Representatives from various partner organizations, including Plan International, which shared its ongoing activities in the region, attended the meeting. Madhav Baral, the Protection Officer from UNICEF, provided updates on the Protection Cluster's initiatives. The meeting was chaired by Mr. Dewakar Bhandari, Secretary of the Ministry of Social Development, and included representatives from NHSRP, PIN Nepal, and the Nepal Red Cross, emphasizing a collaborative approach to enhance the welfare of vulnerable populations in the province.
