1. Introduction

HRRP coordination meeting was facilitated by HRRP district coordinator Minar Thapa Magar and chaired by NRA Sub-regional representative Raj Kaji Shrestha. Representatives from 16 POs attended the meeting. The meeting was focused on I/NGOs mobilization guideline and developing regular monitoring mechanism of reconstruction and recovery program by NRA Sub-regional office, Gorkha.

2. POs updates

Representative of all partners present in the meeting updated about their achieved and planned activities.

- POs updated and informed about their planned and completed housing activities such as skilled (masons, carpenters, electricians etc.) trainings, vocational trainings, BBS messaging, demonstration constructions, communication outreach etc.
- POs also updated about their strategies for various integrated approach.
- INF-N, ACN, USAID/SB-Recovery, IOM, PIN updated about their planning and activities. CSG formed OPA (Old people association) in Thumi and Manbu VDCs.
- UNDP updated about their United Nations Development Program/Comprehensive Disaster Risk management Program.
- NRA requested all POs to get approval from NRA and connect NRA with all program and projects related to reconstruction and recovery.

- Oxfam requested NRA for information regarding approval for construction of permanent house during on the job mason training for vulnerable beneficiaries in the community where the owner will provide all expense and resources required for construction. NRA representative explained that there is no any clear policy regarding approval for construction of individual households except Dhurmus-Suntali foundation, no any other organization was authorized to construct individual households.
- Care updated LDMC (Local disaster management committee) is to be formed as soon as possible in their 11 working VDCs and LDMC needs to conduct VCA (Vulnerability capacity assessment) and draft LDRMP (Local disaster risk management plan) before December as government identified project which is to be endorsed during VDC council meeting and DPRP (Disaster preparedness response plan) is also to be prepared at district level.
- CRS formed 117 VRC (village reconstruction committees) in their 13 working VDCs and proposed for discussion for collaboration based on NRA's CRC (community based reconstruction committee) guideline. CRS also clarified the news of demo house constructed with 10 lakh rupees was false and it is not community building for people to live in but it is one of the demo panels constructed during 30 days vocation/unskilled training as practical work. 7 sets of demo panels was constructed during one training with different improved techniques which was later used for demonstration in community.

3. Discussion on I/NGOs mobilization guideline

- Representative of NRA informed all about the NGO mobilization guideline, 2072 published by NRA and requested all I/NGOs to abide by the same.
- He requested all the POs to submit action plan to the NRA sub-regional office, which helps in tracking of POs activities and also for effective monitoring and evaluation as specified in NGO mobilization guideline, 2072.
- He urged all POs to submit progress report monthly based on the template of NGO mobilization guideline, 2072. Minor modification in the template has been requested by the POs to make it easy to understand and to update.
- He informed that tripartite agreement between VDC, DDC and Bank has been done for effective utilization and control of the fund and probable misuse of the fund.
- Organization who secured approval from central NRA to support for 2 lakh subsidy must also get approval from sub-regional office and tripartite agreement must be done at district level.
- NRA requested POs to prioritize some activities like mason trainings, demo construction etc. during their action planning and to conduct, impart and complete targeted mason training as soon as possible with an assumption that all beneficiaries will receive first tranche and start reconstruction of their houses right after Dashain and Tihar festival.

4. Social Mobilization Training(Update)

- HRRP representative thanked all the POs for their suggestions and expectations regarding social mobilization training. He also informed that HRRP is going through possible partner or resource person selection to convey this training package which covers :

- Community mobilization
- Technical knowledge
- Knowledge about NRA policy, publication and guidelines
- Gender equality and Social Inclusion
- DRR (which may conducted as separate package)
- HRRP requested partners to submit their EOI (expression for interest) through email after receiving invitation from HRRP.

5. AOB

- HRRP presented District profile which HRRP have been producing every month and requested partners to mention their respective implementing partners in 4W update so that HRRP can track both partners.
- HRRP also presented skilled/unskilled training mapping and indicated gap VDCs and municipality in terms of mason training and vocational training and requested partners to coordinate with HRRP and NRA-sub regional office to extent their intervention to fulfill gap.
- POs also requested HRRP to work on uniform action planning template which can be used by all POs in Gorkha district to report NRA-Sub regional office to maintain uniformity.
