Chairperson of the meeting

- Som Raj Timilsena:- DE, District Technical office, Makwanpur

Welcome to Lea

- Short briefing about HRRP:- The role of HRRP in reconstruction recovery, support provided by HRRP 2 and planning of HRRP 3

Gaps in the coverage by the HRRP partners

- Makwanpur is the earthquake affected district having least coverage in housing by the partners.
- 4W and Support in regular updating required from POs
- Partners are requested to bridge the gaps by organizing technical assistance, mason training, social mobilization and other activities that needs to enhance the housing reconstruction and recovery
- The gaps can be observed in the maps in the dashboard of HRRP.

Regular activities of the HRRP

- Regular meetings of HRRP and sharing about the learnings, experiences, discussing about the issues related to housing sector and disseminating about the information from the central HRRP and NRA to the district level and from the district level to the center.
- Collection of information through 4w updates from the partners bi monthly and send that to central HRRP which is shared through HRRP dash board and it is used by the NRA and other donors as well.
- Organizing special platforms to the partners to have discussion on the issues the partners have.

Special events organized by HRRP

HRRP

- **Inspection SOP**
- Orientation on Inspection SOP organized for the partner organizations by HRRP in January, 2017.
- 32 persons from different partner organizations participated in that orientation.
- **Supply Chain Assessment Workshop**
- It was organized on the 9th and 10th of February, 2016
- 25 Persons from various partner organizations participated in that workshop.
- Partners were oriented on the need, tools and techniques to organize Supply chain Assessment.
- Participants made their commitments on participating on the assessment after they have discussion with their management. So far we are still waiting for commitment.

Special events continued

- **Technical Assistance Workshop**
- It was organized on the 13th of February for the partners.
- All together 29 participants from various organizations working on housing participated on that workshop.
- The issues the partners are having in the field were raised and discussed on the workshop.
- Partners presented their commitment on bringing the issues in the future and have discussion in the HRRP meetings as well.
- Suggestion for follow up

Sharing about OJT Trainings

- Helvetas planning to organize OJT for 1500 people in 24 VDCs of Makwanpur
- SABAL is also planning to organize OJT in some VDCs.
- SABAL has planned to make partnership with Plan International to organize OJT.
- Closely coordinate with HRRP to avoid duplication

Sharing about DLPIU Education

HRRP

- The introduction and purpose of DLPIU (Education)
- The activities and future plan of DLPIU(Education)
- The coordination mechanism of DLPIU Education in the reconstruction.

Sharing about the Timber HRRP issues in reconstruction (DFO)

- The total amount of timber required for the reconstruction of the houses in Makwanpur
- The process to receive timber for the housing.
- The laws and regulation related to use of forests and timber.
- Guidelines have already been issued and HRRP will share the link.

Any Other Business?

- Grievance Management
- 80500 grievance were transferred to beneficiaries, 30925 grievance were categorized as non- beneficiaries, 17654 grievance required field survey and 3432 grievance required field verification. 19766 beneficiaries were selected for retrofitting cash grant.
- Sharing on community based reconstruction committee (VDC should be fully operational in Housing reconstruction and clear about their task regarding reconstruction, Gap in deployment NRA engineers and availability of inspection form)
- Challenges in Field (Retrofitting , land issues, missing of survey number, difficulties to mobilize HHs to reconstruct)
- Please raise your issues if you have any.

Updates from Central HRRP

- News, stories and article can be access on media digest
- Question and Answer updated
- Sharing of pictures and toilet designs is very much appreciated
- Uniformity on wages according to NRA training strategy (CTEVT curriculum)
