UPDATES & REQUESTS

National

NRA Set Deadline for Disbursement of Housing Reconstruction Grant: the NRA have set the following deadlines for the disbursement of housing reconstruction grant:

- Grant agreement signed with local bodies within November 16
- First tranche must be disbursed by January 13, 2018
- Second tranche must be disbursed by April 13, 2018
- Third tranche must be disbursed by July 15, 2018

HRRP recognises that this is challenging and may lead to vulnerable households struggling even further with their reconstruction. HRRP is scaling up research into what leads to compliance, and what the blocks are in reconstruction progress, in order to provide some recommendations to partners on how to scale up appropriate socio-technical assistance in an effort to push towards this deadline.
