

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

--	-----	-----------------------------------

NEWS & UPDATES

1. HRRP, in coordination with National Reconstruction Authority (NRA) District Secretariat, organized district coordination meeting on 5th May 2017 in Hetauda Makwanpur.

2. Housing Recovery and Reconstruction Program (HRRP) Team Makwanpur has suggested to District Health Office to pay considerations to the needs of people and capacity building components while formulating health plan in the District.

3. The draft of district health recovery and reconstruction plan focuses on the physical damages of the different level of health institutes in Makwanpur district. However, participants suggested that the plan should incorporate a comprehensive picture of physical damages of health offices, gaps in the health delivery and needs for improvements.

- 0 VDC with all 6 TA Activities
- 5 VDCs with no TA
- 1 VDC with no TA and more than 60% damage

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 6 activities and the VDCs highlighted suggest the summation of the activities presented:

- a. Community/household orientation with more than 1 session
- b. Continuous Door to door technical assistance (Mobile Technical Support)
- c. Short training for Masons (Target achieved)
- d. Vocation/on the job training for masons (Target achieved)
- e. Helpdesk/Technical Support Center
- f. Demonstration construction

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.

Coverage of TA Activities
