

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

FACTS AND FIGURES

Population:

336,067¹

46 VDCs and 1 municipality

Other	2%	30%

% of households who own their housing unit	92%	85% (Census 2011) ¹
--	-----	-----------------------------------

NEWS & UPDATES

1. On 3rd March 2017, NRA Dhading organized a one-day orientation for 185 final year engineering students who were then mobilized to 42 VDCs. The engineering students will support the assessment of construction status (completed, in progress, not started) as well as collect information on types of designs, construction materials, sources of funding for the construction work, total cost of the construction, and level of compliance with the building code.

2. On 5th March 2017, DDRC Dhading held a meeting where NRA CEO Dr. Pokhrel highlighted the need for POs to improve coverage and quality of technical assistance emphasizing the importance of this for the GoN disbursement of the reconstruction grant. He mentioned that the number of households that have started reconstructing is still relatively low and encouraged POs to expand TA to support in expediting the reconstruction process.

3. NRA and DDC Dhading jointly organized a two-day orientation about environment and social security to all VDC Secretaries, Engineers and Social Mobilizers in Dhading on 21st and 22nd February, 2017.

Division Head
Telephone: 010-520116

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 6 activities and the VDCs highlighted suggest the summation of the activities presented:

4 VDCs with all 6 TA Activities

- Community/household orientation with more than 1 session
- Continuous Door to door technical assistance (Mobile Technical Support)
- Short training for Masons (Target achieved)
- Vocation/on the job training for masons (Target achieved)
- Helpdesk/Technical Support Center
- Demonstration construction

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.
