1. Welcome and Introductions

The HRRP District Coordinator point welcomed all the participants and each person attending the meeting introduced him/herself. See point 7 below for the list of participants.

2. Information about enrollment process and Support from NGOs, POs and CBOs, on this process at different Level.

2.1 Information about the enrollment process was shared to all stakeholders by the HRRP District Coordinator. This process should take place as soon as possible.

2.2 All the agencies expressed their interest on the matter and asked more clarity on the process. This will be addressed in the following meeting by the HRRP Hub Coordinator.

2.3 All actors are ready to support the HRRP by providing information about their activities and plans to fill the 4W. The HRRP focal point will share the format of the 4W and work on mapping the information to highlight the needs and gaps.

3. Discussion on the establishment of a Housing, Reconstruction Resource Centre in Okhaldhunga.

3.1 The potential use and importance of having a Resource Centre in Okhaldhunga was highlighted and discussed.

3.2 All the POs & COBs were pleased to hear about this, welcomed the idea and to support its establishment.

3.3 POs suggested coordinating with the DDRC to establish the Resource Center. It could be possible to get a room from the DDC office. POs expressed their concern on the fact that there should be constant staff in the resource center to welcome and advise people.

4. Open Discussion and Updates from different agencies in Okhaldhunga

4.1 Participants suggested that information about the HRRP (structure, objectives), but also about the enrollment process should also be shared at the VDC level and ward levels effectively and promptly to ensure everyone has access to this crucial information.

4.2 Participants also suggested that the HRRP conduct awareness program, provide guidelines, catalogues, etc. regarding safe Reconstruction at VDC level and if possible at ward level, where there is a lots of damage in the house hold.

5. AOB

5.1 It was suggested that HRRP strengthens advocacy on access to bank as this will be a difficult aspect in many of the affected VDCs of the Districts. Indeed, the subsidy will be received through banks and thus beneficiaries have to pay for the transport to the banks several times.

5.2 Partners were ready to help to provide the list of trained mason in the district.

5.3 A discussion was led regarding the interest of new coming agencies in the district. Most of the agencies show their interest to work only in the VDC nearby the district headquarters, which is a real issue as there are needs in these VDCs as well.

6. Date for next HRRP Meeting

It was confirmed that the next meeting would take place on 23rd March 2016.

Action Points

- 1. Regular coordination will be done**
- 2. Follow up for the 4w sheet**
