

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

FACTS AND FIGURES

Population:

287,798¹

Cement-bonded bricks/stone 7% 29%

Other 5% 30%

% of households who own their housing unit 94% 85%
(Census 2011)¹

NEWS & UPDATES

1. HRRP organized a one day 'Technical Workshop' on 7 February. The workshop was helpful in finding out the issues and challenges in delivering Technical Assistance by the POs to the beneficiaries. It was highlighted that 17 building designs are insufficient to tackle people's need, such as privacy and large family size, however, the new houses to be built can be modified based on NBC, Inspection Guideline and Design Catalogue.
2. A Technical Desk is being established at the DUDBC building comprising of three engineers, one each from HRRP, JICA and DUDBC. They will be supporting POs on technical issues over the phone, and responding to visitors and provide technical support
3. The joint Inter-Working Group Meeting held at DDC on 9 February has decided that every working group, as well as HRRP, need to submit 1 pager update to DDRC every month
4. Caritas Nepal has planned to extend its Shelter Program in two more VDCs, namely Sunkhani and Yamunadada, supporting the beneficiaries through technical assistance and capacity building.

- 0 VDC with all 6 TA Activities
- 21 VDCs with no TA
- 21 VDCs with no TA and more than 60% damage

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 6 activities and the VDCs highlighted suggest the summation of the activities presented:

- a. Community/household orientation with more than 1 session
- b. Continuous Door to door technical assistance (Mobile Technical Support)
- c. Short training for Masons (Target achieved)
- d. Vocation/on the job training for masons (Target achieved)
- e. Helpdesk/Technical Support Center
- f. Demonstration construction

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.
